c) “Euroleague Basketball Competitions” are the EuroLeague and the EuroCup competitions.

d) “Clubs” are the 16 member associations and clubs (regardless of their juridical nature or type of incorporation) that have basketball teams with a licence to participate in the EuroLeague.

e) “Licensed Clubs” are the member associations and clubs (regardless of their juridical nature or type of incorporation) that participate in the EuroLeague with a long-term licence.

i) “Shareholders Executive Board” is the ECA body constituted by the General Assembly held in Rome on 17 February 2009, which submits proposals and recommendations to the General Assembly, monitors and controls the observance of the resolutions adopted by the General Assembly, adopts urgent measures when there is no time to call a meeting of the General Assembly (subject to the subsequent ratification thereof), and exercises any further functions conferred on it by the General Assembly.

j) “EP” is the limited liability company Euroleague Properties S.A., or any of its relevant permitted successors, licensees or assignees, controlled by ECA, responsible for managing and organising the EuroLeague and the EuroCup, as well as for commercialising their properties. EP has assigned its responsibilities to EV.

k) “EV” is the liability company Euroleague Ventures S.A., or any of its relevant permitted successors, licensees or assignees, incorporated by EP and IMG Media Limited according to the Joint Venture Agreement signed by both parties with the aim of increasing the stature, awareness and economic value of the Euroleague Basketball Competitions and the Clubs. s) “Domestic Competitions” refers to all official competitions of a League.

Article 2. Object

The object of these EuroLeague Club Licensing Rules (hereinafter the “Licensing Rules”) is to establish the access rules and the requirements that the clubs must fulfil in order to participate in the EuroLeague.

The right to participate in the EuroLeague will only be held by those clubs that meet the requirements provided for in these Licensing Rules and any subsequent modifications, amendments and appendices thereto, as well as in all those agreements and resolutions of the competent governing bodies, and have the corresponding licence.

The clubs may not in any way assign or transfer the right to participate in the EuroLeague to any third party without the prior authorisation of the General Assembly.

Article 3. EuroLeague Licences

ECA will grant 16 licences to operate teams in the EuroLeague.

These licences may be of two different types according to their duration, requirements and process for allocating each of them.

Licensed Clubs will participate on a long-term basis and Associated Clubs will participate on a one-season basis pursuant to the terms and conditions established in these Licensing Rules.

There will not be more than four Licensed Clubs + Associated Clubs from the same country or League under any circumstance. Priority will be given to an Associated Club qualified through the Euroleague
Basketball Competitions over a Clubqualified from the corresponding League.
CHAPTER II

Licensed Clubs

Article 4. Criteria for Allocating Licensed Club Licences

ECA will grant Licensed Club Licences to the clubs based on the following criteria:

4.1. Territorial area: the area of influence of a Licensed Club will be defined as a population of 200,000 inhabitants within a geographical area of 200km².

One additional licence will only be granted in this area if the population is higher than 200,000 inhabitants. Nonetheless, the General Assembly may authorise an exception if there are a greater number of teams in the same territorial area and this does not affect the economic expectations of the Clubs and the Companies.

4.2. Use of an arena with a minimum capacity for 10,000 seated spectators that is less than a four-hour commercial flight from Frankfurt (on the understanding that this city is considered as being in the geographical centre of the European Union territory for the purposes of these Licensing Rules) and has all necessary technical elements duly approved for the game of basketball, as well as all other requirements demanded in the corresponding regulations.

4.3. Availability of at least two 4 star hotels within the city area where the arena is located.

4.4. International airport at a maximum distance of 100km by road from the arena, with enough daily flights to allow the teams to have access to the city under the right conditions, without significant disruption to their schedule.

4.5. The club must meet the requirements established in the Financial Stability and Fair Play Regulations included in Appendix I.

4.6. The club must be in a sound legal position and will not have, by itself or through its managers or employees, any conflict of interests with any other club participating in the Euroleague Basketball Competitions, or be involved in companies representing players and/or coaches.

4.7. The club must not be banned or temporarily suspended from participating in the Euroleague Basketball Competitions by the...
Companies, regardless of the reason for the prohibition or suspension.

4.8. When there are two or more Licensed Clubs from the same country or League, no additional Licensed Club Licences will be granted to clubs from that country or League.

Article 5. Requirements for Participation in the EuroLeague as a Licensed Club

The clubs that comply with the criteria stipulated in Article 4 must fulfil the following requirements for the allocation of a Licensed Club place, as well as those requirements that will be approved by the General Assembly:

5.1. Signature of the Licensed Club Contract pursuant to the model of Appendix II.

5.2. Compulsory subscription of the number of ECA shares set by the General Assembly for Licensed Clubs, as well as the signature of all the necessary documents required for the smooth and effective administration and organisation of ECA and the EuroLeague (including but not limited to powers of attorney, minutes of shareholders meetings, shareholders agreements, and any other documents).

5.3. Participation in the Domestic Championship, unless an exception is approved by the Shareholders Executive Board if the Club is prevented from participating in the Domestic Championship against its will.

5.4. Express declaration of observance of the applicable Bylaws and any future modifications, amendments and appendices thereto, as well as of any act or resolution approved by the governing bodies of the Companies.

5.5. Payment of the registration fee established by the General Assembly each season.

5.6. Fulfilment of the Financial Stability and Fair Play Regulations, including the provision of an express declaration of sound financial position of the club, stating that the club has not been formally declared bankrupt or insolvent by a competent body in its home country and has not entered into liquidation or dissolution, following the model shown in Appendix III. This declaration will be certified by an auditing firm.
5.7. Provision of an express declaration of sound legal position of the club, stating that the club, its managers and/or employees do not fall into the incompatibility situations established in Appendix IV.

5.8. The Clubs must fulfill any other requirement that the General Assembly may establish.

Article 6. Cancellation or Suspension of the Licensed Club Contract

6.1. ECA has the right to cancel the Licensed Club Contract, or temporarily suspend it at its own discretion, for one of the following reasons:

6.1.1. In the event that the Licensed Club finishes in the last position of the EuroLeague standings in three different seasons during the term of its Licensed Club Contract.

6.1.2. The Club has stopped fulfilling the requirements established in these Licensing Rules or for any other reason provided by the relevant Licensed Club Contract.

6.1.3. The Club fails to comply with its duties as set down in the agreements and commitments entered into by the Club with the Companies, or prevents or obstructs the fulfilment of contracts entered into by the Companies with third parties, including but not limited to the Audiovisual Rights Agreements and Sponsorship Agreements, or fails to comply with the economic control rules approved by the General Assembly.

6.1.4. If, in the season that has just finished, the Club has ranked among the clubs placed in the bottom half of the Domestic Championship final standings. For the purposes of this article, if the Domestic Championship has an odd number of teams, the bottom half includes half plus 0.5.

6.1.5. In the case that, during two consecutive seasons, a Club does not manage to reach the threshold of 80% of paid attendance in relation to the minimum arena capacity throughout the EuroLeague season as established in the Bylaws. For the purposes of this article, it will be taken into account that the sale of the ticket products is effective, full-price, and according to a reasonable pricing policy. It will be evaluated if there is any evidence that the average of paid tickets has increased during this two-season period.

6.1.6. The Club fails to fulfill the criteria and requirements established in the Financial Stability and Fair Play Regulations.
6.1.7. If, in the country where the Club has its headquarters, reasonable expectations about audiovisual rights sales are not fulfilled with reference to the Club. Said expectations must be established in the Companies Commercial Plan, which will be subject to the approval of the General Assembly.

This rule will not be applied to those Clubs that have participated for less than three seasons in the EuroLeague.

6.1.8. The Club has been sanctioned with the prohibition of participating in the EuroLeague Basketball Competitions.

6.2. The cancellation of the Licensed Club Contract will entail the loss of the Club's right to participate in the EuroLeague, and therefore the loss of all rights derived from the Club's condition as a EuroLeague member. In addition, the Club will lose its condition as an ECA shareholder, which will entail the obligation to sell its shares in this company according to the procedures and pricing criteria established by the General Assembly.

6.3. The suspension of the Licensed Club Contract will entail the loss of the Club's right to participate in the EuroLeague, the loss of the Club's rights derived from its participation, and the loss of the economic and voting rights in ECA. Additionally, the suspension of the Licensed Club Contract will entail the Club's obligation to refrain from executing any rights whatsoever (e.g. economic, voting, etc) held in the Companies or, as the case may be, the Club's obligation to sell its ECA shares according to the procedures, consideration and pricing criteria established by the General Assembly, during the period in which the Licence is suspended.

Article 7. Substitution of a Club

When a vacancy arises among the Licensed Clubs for whatever reason, the Shareholders Executive Board may propose to the General Assembly the substitution of the place for a wild card, which will be granted to the club that the General Assembly considers appropriate and for the period that it deems necessary. In whatever case, the endorsement of EV will be required.
CHAPTER III

Associated Club Licences

Article 8. Associated Club Licences to Participate in the EuroLeague

ECA will approve the Leagues to which it will grant Associated Club Licences to participate in the EuroLeague. The endorsement of EV will be required. The licences will be allocated to the highest place clubs in the Domestic Championship in the previous season.

ECA will grant the EuroCup champion a one-year Associated Club Licence for participating in the EuroLeague the following season, with the exception established in Clause 10.

Article 9. Criteria for Allocating Associated Club Licences through the Domestic League

ECA will grant Associated Club Licences with the right to have direct access to the competition to the clubs that comply with the following criteria:

9.1. The Associated Club Licences will be allocated to the highest placed clubs in the Domestic Championship who do not hold a Licensed Club Licence. When a position is occupied by a Licensed Club, the right will fall upon the club placed in the following position of the Domestic Championship.

9.2. Use of an arena with a minimum capacity for 5,000 seated spectators that is less than a four-hour commercial flight from Frankfurt (on the understanding that this city is considered as being in the geographical centre of the European Union territory for the purposes of these Licensing Rules) and has all necessary technical elements duly approved for the game of basketball, as well as all other requirements demanded in the corresponding regulations.

9.3. Availability of at least two 4 star hotels within the city area where the arena is located.

9.4. International airport at a maximum distance of 100km by road from the arena, with enough daily flights to allow the teams to have access to the city under the right conditions, without significant disruption to their schedule.
9.5. The club must meet the requirements established in the Financial Stability and Fair Play Regulations.

9.6. The club must be in a sound legal position and will not have, by itself or through its managers or employees, any conflict of interests with any other club participating in the Euroleague Basketball Competitions, or be involved in companies representing players and/or coaches.

9.7. The club must not be banned or temporarily suspended from participating in the Euroleague Basketball Competitions by the Companies, regardless of the reason for the prohibition or suspension.

Article 10. Special Conditions for the EuroLeague Champion and EuroCup Champion

ECA will grant the EuroLeague champion a one-year licence for participating in the EuroLeague the following season, provided that the EuroLeague champion is not already a Licensed or Associated Club for the following season.

ECA will grant the EuroCup champion a one-year licence for participating in the EuroLeague the following season, provided that the EuroLeague champion from the previous season already is a Licensed Club or has earned its place as an Associated Club through its League.

In both cases, the allocation of the licence will be conditional upon the fulfilment of all terms and conditions established in these Licensing Rules for the Clubs with Associated Club Licences. In the case that the club does not fulfil these requirements, the Shareholders Executive Board will propose the allocation of a wild card to the General Assembly.

In the case that the EuroLeague champion and the EuroCup champion both hold a Licensed Club or Associated Club Licence, the Shareholders Executive Board will propose the allocation of a wild card to the General Assembly.

Article 11. Requirements for Participation in the EuroLeague as an Associated Club

11.1. Signature of the Associated Club Contract pursuant to the model of Appendix II.
11.2. Subscription of ECA shares if so agreed by the General Assembly for the Associated Clubs, as well as, if appropriate, the signature of all the necessary documents required for the smooth and effective administration and organisation of ECA and the EuroLeague (including but not limited to powers of attorney, minutes of shareholders meetings, shareholders agreements, and any other documents).

11.3. Participation in the Domestic Championship, unless an exception is approved by the Shareholders Executive Board if the Club is prevented from participating in the Domestic Championship against its will.

11.4. Express declaration of observance of the applicable Bylaws and any future modifications, amendments and appendices thereto, as well as of any act or resolution approved by the governing bodies of the Companies.

11.5. Payment of the registration fee established by the General Assembly each season.

11.6. Reasonable expectation of resources generated from audiovisual and/or sponsorship rights for the EuroLeague as a whole, TV coverage of the club's home games and observance of the quality standards of TV production.

11.7. Fulfilment of the Financial Stability and Fair Play Regulations, including the provision of an express declaration of sound financial position of the club, stating that the club has not been formally declared bankrupt or insolvent by a competent body in its home country and has not entered into liquidation or dissolution, following the model shown in Appendix III. This declaration will be certified by an auditing firm.

11.8. Provision of an express declaration of sound legal position of the club, stating that the club, its managers and/or employees do not fall into the incompatibility situations established in Appendix IV.

11.9. The Clubs that have participated in previous seasons with Associated Club Licences (former B or C Licence for the 2015–16 season) must have fulfilled the criteria and requirements established in the Financial Stability and Fair Play Regulations.

11.10. The Clubs must fulfil any other requirement that the General Assembly may establish.
Article 12. Substitution of a Club

When a vacancy arises among the Clubs with, or having the right to, an Associated Club Licence for whatever reason, the Shareholders Executive Board will propose the substitution of the place for a wild card to the General Assembly, which will be granted to the club that the General Assembly considers appropriate at its own discretion. To fill the vacancy in the case of an Associated Club Licence, the possibility of maintaining the licence within the same country will be analysed as a priority.

Article 13. Wild Cards

A club receiving a wild card that entitles it to participate directly in the EuroLeague by means of an Associated Club Licence must meet the requirements established for these types of licences that the General Assembly, following the proposal by the Shareholders Executive Board, considers appropriate at its own discretion and for the period that it deems necessary.
CHAPTER IV

Transfer of the Licence, Change of City and Transfer of Shares

Article 14. Transfer of the Licence

Only the Licensed Clubs may grant their licence to a third-party club, with the prior approval of the General Assembly, which will be confirmed by EV, and provided that they fulfil the specific requirements for transferring licences that will be approved by the General Assembly.

Under no circumstance will a Licensed Club that has not participated for at least three consecutive seasons with a Licensed Club Licence be authorised to transfer its Licence. No act, commitment or resolution that is undertaken contravening this limitation will be legally effective. Neither the Companies nor the Clubs will be responsible before third parties for said non-compliance.

Article 15. Change of the City in Which the Team Has its Arena

In the case that the Club decides to change the city in which the team has its arena, it must request the approval of the General Assembly.

To grant the authorisation established in the above paragraph, the General Assembly will take into account if the operation in question guarantees the compliance with the Bylaws, and if it is beneficial for the competition, for the promotion of basketball and for the commercialisation of the EuroLeague properties.

Article 16. Transfer of Shares

Any substitution of a Club, whatever the reason for said substitution is, will entail the obligation of the old member to sell its ECA shares according to the procedures, consideration and pricing criteria established by the General Assembly.
CHAPTER V

Rights and Obligations of the Clubs,
Special Obligations and Economic Rules

Article 17. Rights and Obligations of the Clubs

17.1. The Clubs have the following rights:

17.1.1. To participate in the EuroLeague.

17.1.2. To benefit from all agreements, covenants and dealings carried out by the Companies for the good of the EuroLeague competition.

17.1.3. To benefit from the economic amounts established and allocated as a market and/or sports pool share for their participation in the EuroLeague according to the economic distribution agreed by the General Assembly.

17.1.4. To participate, as provided by these Licensing Rules, in the management decisions regarding the EuroLeague.

17.1.5. To be informed of the annual state of the P&L Accounts related to the EuroLeague and the Companies.

17.1.6. All other rights recognised in these Licensing Rules and all subsequent modifications, amendments and appendices thereto, as well as all other rights recognised in the Bylaws, agreements and resolutions governing the EuroLeague.

17.2. The Clubs have the following obligations:

17.2.1. To accept and comply with the Bylaws regulating the EuroLeague, which include the obligation to participate in the EuroLeague.

17.2.2. To comply with the resolutions, agreements and commitments adopted or entered into by the Companies, the Shareholders Executive Board and the General Assembly.

17.2.3. To report to the Companies any information that might be required and necessary for the optimal organisation of the EuroLeague.

17.2.4. To provide loyal and good faith cooperation with the Companies and the other Clubs, facilitate the smooth administration and management of the Companies and the EuroLeague and abstain from
any conduct that may obstruct or delay the smooth administration and management of the Companies and the EuroLeague.

17.2.5. To fulfil all other obligations that may arise out of these Licensing Rules and any subsequent modifications, amendments and appendices thereto, as well as all other obligations that may arise out of the Bylaws, agreements and resolutions governing the EuroLeague.

Article 18. Special Obligations

The Shareholders Executive Board may establish special obligations or additional guarantees or even reject the admission of those clubs that have had a EuroLeague licence that has been cancelled for a reason attributable to the club, pursuant to these Licensing Rules.

Article 19. Economic Rules for the Clubs

The General Assembly may establish rules with the aim of guaranteeing the economic stability of the Clubs, by defining criteria that permit a homogeneous assessment of their economic and financial position, as well as making decisions to guarantee the smooth running of the competition. Said criteria will be updated accordingly in the EuroLeague Regulations (Appendix I: Financial Stability and Fair Play Regulations).

The Shareholders Executive Board will establish the appropriate criteria for coordinating the economic monitoring actions with those Leagues that have similar rules.
CHAPTER VI

Final Provisions

Article 20. Waiving of Rights

If, after having registered in or having been admitted to the EuroLeague, a Club renounces its participation, fails to comply with the requirements for participation or withdraws from the EuroLeague in any of its phases, it will be subject to the opening of a possible disciplinary proceeding and liable for any further damages. Additionally, the Club acknowledges and accepts that any future entitlement to be registered in the following editions of the Euroleague Basketball Competitions will not grant the Club an automatic right to be registered or admitted therein.

Article 21. Appendices

All appendices to these Licensing Rules form an integral part of them.

Article 22. Disciplinary Procedures

Any breach of these Licensing Rules may be sanctioned by the Companies pursuant to the Disciplinary Code or, if appropriate, with the cancellation of the Contract.

Article 23. Entry into Force

These Licensing Rules will come into force beginning the date on which the General Assembly approves them, without prejudice to the subsequent modifications, amendments and appendices thereto that may be approved by the General Assembly.

TRANSITORY PROVISION

Requirements of the Clubs with a Licensed Club Licence

The Euroleague Basketball CEO is empowered by the General Assembly to approve a temporary waiver of the requirement established in Article 4.2 regarding a minimum arena capacity for 10,000 seated spectators for those clubs that have previously provided credible evidence that they are in the process to move to an arena with the required minimum capacity within a reasonable construction cycle.
FINANCIAL STABILITY AND FAIR PLAY REGULATIONS

Article 1. Object

The object of these regulations is the following:

a) Ensure good financial practice in the Euroleague Basketball competitions.

b) Guarantee the transparency and credibility in the finances of the participating clubs.

c) Ensure the financial stability of the clubs and the Euroleague Basketball competitions through a balanced budget and a consolidated equity, protecting the long-term viability and sustainability of the Euroleague Basketball competitions.

d) Guarantee the fulfilment of the economic commitments adopted by the clubs.

e) Define the role and tasks of the Management Control Commission and the external auditing firm, the minimum procedures to be followed in their assessment of the requirements that the clubs must meet, and the financial responsibilities of the clubs in relation to the Euroleague Basketball competitions.

Article 2. Definitions

For the purpose of these regulations, the applicable definitions of terms are the following:

a) **T season**: the official basketball season (from 1 July to 30 June) in which the club participates in the EuroLeague.

b) **T-1 season**: the season immediately preceding the T season. The T-1 season is the one in which the club submits its application to participate in the EuroLeague the following season.

c) **T-2 season**: the season immediately preceding the T-1 season.

d) **T-3 season**: the season immediately preceding the T-2 season.

e) **T-4 season**: the season immediately preceding the T-3 season.
f) **Fair play result**: the difference between total revenues and total expenses for each reporting period, which must be calculated in accordance with Exhibits A and B hereto.

If total expenses are less than total revenues for a reporting period, then the club has a surplus/profit.

If total expenses are greater than total revenues for a reporting period, then the club has a deficit/loss.

In case of an aggregate deficit for the monitoring period and to enable a better understanding of the facts, the club may demonstrate that the aggregate deficit is reduced by a surplus (if any) resulting from the sum of the results from the two reporting periods prior to T-2 (i.e. reporting periods T-3 and T-4).

If a club’s financial statements are denominated in a currency other than euros, then the fair play result must be converted into euros at the average exchange rate of the reporting period.

g) **Aggregate result**: the sum of the fair play results of each reporting period covered by the monitoring period (i.e. reporting periods T-1, T-2 and T-3).

h) **Aggregate deficit**: the situation when the aggregate fair play result for the monitoring period is negative (below 0).

i) **Overdue payables**: Payables are considered as overdue if they are not paid according to the agreed terms.

Payables are not considered as overdue if the club is able to prove that:

i. The club has paid the relevant amount in full; or

ii. The club has concluded an agreement that has been accepted in writing by the creditor to extend the deadline for payment beyond the applicable deadline; or

iii. The club has brought or contested a legal claim that has been deemed admissible by the competent authority under national law or has opened proceedings with the national or international authorities or relevant arbitration tribunal contesting liability in relation to the overdue payables; however, if the decision-making bodies (ECA and/or the Management Control Commission) consider that this claim or contestation has been brought or these proceedings have been opened for the sole purpose of avoiding the deadlines set out in these regulations (i.e. in order to buy time) and/or that this claim or contestation is unfounded, the relevant amount will still be considered as an overdue payable.
j) **Player salaries:** With regard to Article 3 e) of these regulations, the gross salary received by players as well as fees paid by the club to their agents will be considered within the player salaries. Transfers paid to other clubs for the acquisition of players are excluded from this concept.

k) **Gross salary:** aggregate amount of wages received by an individual on a regular basis, usually monthly, including any tax payments made by the club originating from the net salary. In addition, social security contributions, payments according to image rights, compensation for early termination, provisions for any bonuses and payments in kind must be included in the gross salary.

l) **Image rights payments:** the amounts due to employees (either directly or indirectly) as a result of contractual agreements with the clubs for the right to exploit the image or reputation of the employees in relation to basketball and/or non-basketball activities.

m) **Payment in kind:** the use of goods or services as payment instead of cash (such as housing, cars and free or subsidised goods or services) plus any applicable taxes.

n) **Related party:** a person or entity that is related to the club, taking into account the substance of the relationship and not merely the legal form.

   i. A person is considered a related party to the club if that person has control, joint control or significant influence over the club.
   
   ii. An entity is considered a related party to the club if:

   - Both entities are members of the same group.
   - Both entities are controlled, jointly controlled or significantly influenced by the same government.
   - One entity has significant influence over the other entity.
   - One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
   - Both entities are joint ventures of the same third party.
   - One entity is a third party of a joint venture and the other entity is an associate of the third party.
   - The entity is controlled or jointly controlled by a person identified in Paragraph i. above.
• A person identified in Paragraph i. above has significant influence over the entity or is a member of the key management personnel of the entity.

• The entity, or any member of a group of which the entity is a member, provides key management personnel services to the club.

o) **Shareholders/related party contributions.** Contributions from shareholders/related parties include:

WHEREAS the Club is a professional basketball club and as such is the owner or licensee of some commercial, image, audiovisual and intellectual property rights related to the Club and its players, coaches, staff and other individuals belonging to the Club or somehow related to it;

EP will also be entitled to assign, grant, license or transfer the Audiovisual Rights to any third parties, exclusively or not, and under the terms and conditions stipulated in the previous paragraph.

Pursuant to the foregoing, the Club will not hold audiovisual rights or any other rights of a similar nature over the Audiovisual Rights nor may exploit them in any way or by any means, whether directly or indirectly, in whole or in part, unless with the previous written authorisation of EP.

The Club acknowledges that in certain countries the protection and enforcement of rights in an individual’s “personality” (such as the Image Rights) requires the personal assertion of those rights by the individual in a manner prescribed by the relevant law in that jurisdiction. The Club agrees to assist EP in obtaining the necessary consents from the players, coaches or
other individuals in order to allow EP to exploit the Image Rights in accordance with the provisions set forth in this Contract.

a) One third of the entire commercial electronic inventory, including 24 minutes on the electronic advertising boards around the playing court within the TV cameras coverage, in the arena where the Club is going to hold, as home team, the EuroLeague games except for the games designated as Game of the Week, for which what is established in the EuroLeague Regulations will apply.

b) One advertising space for EuroLeague self-promotion or for EuroLeague Sponsors positioned facing the playing court, on the upper side of each endline (so as to be within the TV cameras coverage) and between the team bench area and the basket support structure, and one advertising space for EuroLeague Sponsors placed on each end of the playing court, behind the endlines and in front of the basket support structures, in the arena where the Club is going to hold, as home team, the EuroLeague games.

c) The sole ownership of the advertising rights of the arena where the EuroLeague Final Four games and any other special events, including but not limited to All-Star games, are to be held.

d) One third of the digital advertising inventory of the Club, including the Club’s official website, for EuroLeague self-promotion or for EuroLeague Sponsors.

The Club acknowledges and agrees that any and all rights mentioned in this Paragraph 8.3 may be modified by the General Assembly.

The Club further acknowledges and agrees that EP is fully entitled, without limitation, to assign, grant, license or transfer any and all rights arising from this Paragraph 8.3 to a third party.

8.4. The Club also acknowledges and agrees that EP may grant exclusivity to the main/naming/presenting/title sponsor of the EuroLeague and may grant exclusivity to up to four EuroLeague Sponsors. In this case, under no circumstance may the Club’s sponsors (including but not limited to advertising located within the TV cameras coverage on the playing court or elsewhere in the arena) enter into conflict with the EuroLeague Sponsors.

Notwithstanding the foregoing, the main/naming/presenting/title sponsor of the Club will be protected when it coincides with the EuroLeague Sponsors above. In this case, the aforementioned
EuroLeague Sponsors might share commercial, advertising and promotional activities within the arena with the main/naming/presenting/title sponsor of the Club.

9. For the rights granted in this Contract the Club will be entitled to receive the economic amounts established and allocated by EP as a market and sports pool share for its participation in the EuroLeague according to the economic distribution agreed by the General Assembly.

The Club acknowledges and accepts that EP will retain annually the sum of 300,000 euros from the amounts to be paid to the Club to guarantee that there are no overdue payables with EP, the Company and/or EuroLeague and Eurocup members during the season.

The Club expressly agrees that EP may at its sole discretion offset and compensate for any sum due by the Club for any reason whatsoever (including but not limited to any economic obligations such as payment to referees or payment of fines or share transfer obligations) to EP, the Company, ECA and/or any other club that participates or has participated in the EuroLeague and/or the Eurocup against any sum due by EP or any of its successors, licensees or assignees to the Club.

The aforementioned amount will be transferred back to the Club after the end of the EuroLeague season (fully, if the Club has fulfilled all its obligations, or partially if the Club has any overdue payables).

10. The Club acknowledges and accepts that EP may assign, grant, license or transfer the organisation and administration of the EuroLeague to the Company or to a third party, which could be the direct or indirect beneficiaries or licensees of this Contract or of the rights granted by the Club to EP herein.

11. The Club expressly declares that it neither directly nor indirectly:

   a) Holds or deals in the securities or shares of any other club participating in the EuroLeague Basketball Competitions, or

   b) Is a member of any other club participating in the EuroLeague Basketball Competitions, or

   c) Is involved in any role whatsoever in the management, administration and/or sporting activity of any other club participating in the EuroLeague Basketball Competitions, or

   d) Has any power whatsoever in the management, administration and/or sporting activity of any other club participating in the EuroLeague Basketball Competitions.
The Club accepts and declares that no person involved in any role whatsoever in the management, administration and/or sporting activity of the Club is or may at the same time, either directly or indirectly, be involved in any capacity whatsoever in the management, administration and/or sporting activity of another club participating in the Euroleague Basketball Competitions. In addition, no person involved in the management of the Club may, either directly or indirectly, hold or deal in the securities or shares of any other club participating in the Euroleague Basketball Competitions.

The Club accepts and declares that no person directly or indirectly by themselves or involved in any company representing players and/or coaches may either hold or deal in the securities or shares of the Club or have any power whatsoever in the management, administration and/or sporting activity of the Club.

12. The Club represents and warrants that it is the exclusive owner of all the rights granted by virtue of this Contract, that these rights are free of any charges or limitations, that the use and exploitation thereof by EP will not involve or lead to an infringement of any third party rights and that there is no claim or dispute regarding these rights that could disrupt or affect their full and unhindered use and exploitation by EP in any way. The Club will indemnify, defend and hold full harmless EP, its affiliates, owners, directors, officers, employees, licensees and agents against any liabilities, damages (including the loss of profits), expenses, costs, claims, proceedings, fines or penalties in connection with: (i) any inaccuracy, omission, misrepresentation or breach of any representation and warranty herein; and/or (ii) the breach of any other provision of this Contract.

The Club undertakes not to request, demand or claim from EP any other economic consideration in the future in relation to the rights granted by virtue of this Contract and their use and exploitation by EP.

13. The stipulated term of this Contract is for a 10-year period, commencing on the date mentioned above. Should the Contract be cancelled, any pending obligations that are derived from the participation of the Club in the EuroLeague will remain in force until complete fulfilment.

14. Cancellation:

EP has the right to immediately cancel this Contract and the licence granted hereunder or temporarily suspend it at its own discretion, by written notice to the Club, if the Club finds itself under any of the circumstances below, or for any other reason included in the EuroLeague Club Licensing Rules:

a) In the case that the Club finishes in the last position of the EuroLeague standings on three different occasions during the term of this Contract.
b) In the season that has just finished, the Club has ranked among the clubs placed in the bottom half of the domestic championship final standings. For the purposes of this article, if the domestic championship has an odd number of teams, the bottom half includes half plus 0.5.

c) The Club fails to comply timely, accurately, completely and in good faith with any material obligation derived from this Contract, the EuroLeague Club Licensing Rules, or any other EuroLeague regulation, rule, agreement or resolution of the governing bodies of EP, ECA, and the Company;

d) The Club fails to comply with its duties towards EP, ECA or the Company, as set down in the agreements and commitments entered into with these companies, prevents or obstructs the fulfilment of the contracts entered into with EP, ECA and the Company (including but not limited to the Audiovisual Rights Licence Agreements and Sponsorship Agreements) or fails to comply with the economic control rules approved by the General Assembly.

e) During two consecutive seasons, the Club does not manage to reach the threshold of 80% of paid attendance in relation to the minimum arena capacity throughout the EuroLeague season as established in the EuroLeague Bylaws. For the purposes of this clause, it will be taken into account that the sale of the ticket products is effective, full-price, and according to a reasonable pricing policy. It will be evaluated if there is any evidence that the average of paid tickets has increased during this two-season period.

f) In the country where the Club has its headquarters, reasonable expectations about audiovisual rights sales are not fulfilled with reference to the Club. Said expectations must be established in the EuroLeague Commercial Plan, which will be subject to the approval of the General Assembly.

This rule will not be applied to those Clubs that have participated for less than three seasons in the EuroLeague.

g) The conduct or omission of the Club, its owner(s) or manager(s) or any person(s) acting for the Club, is or becomes seriously detrimental to the image and standing of EP, ECA, the Company, the EuroLeague or other clubs participating in the Euroleague Basketball Competitions (including but not limited to any action incompatible with basic values of sports and ethics).
h) The Club has been formally declared bankrupt or insolvent by a competent body in its home country, has entered into liquidation or dissolution or any similar proceeding affecting the ordinary course of its activity, or it is in a situation in which it is obliged under law to file an insolvency proceeding or be entered into liquidation or dissolution, winding up or any similar proceeding in its jurisdiction.

i) The Club does not cooperate with the utmost diligence and in good faith with any governing body or representative of the EuroLeague, EP, ECA or the Company or any of their successors, licensees or assignees.

j) The Club has been sanctioned with the prohibition of participating in the EuroLeague Basketball Competitions.

In addition to the cancellation or suspension of the Contract, EP may claim any damages related thereto.

15. The Club will not in any way assign, grant, license or transfer this Contract or the related licence to any third party nor will it assign, grant, license or transfer to any third party the rights and duties arising hereunder, without the prior written consent of the General Assembly.

To grant the authorisation established in the paragraph above, the General Assembly will take into account if the operation in question guarantees the compliance with the EuroLeague Bylaws, and if it is beneficial for the EuroLeague, for the promotion of basketball and for the commercialisation of the EuroLeague properties.

16. This Contract will be governed by and construed in accordance with the substantive law of Switzerland.

All disputes arising out of or in connection with this Contract, including any question regarding its existence, validity, interpretation, breach, performance or termination, will be ultimately and exclusively settled under the Rules of Arbitration of the International Chamber of Commerce by a panel of three arbitrators appointed in accordance with these Rules. The arbitration will be conducted in English and the seat of arbitration will be in Lugano (Switzerland). Prior to resorting to arbitration, the parties are obliged to attempt an amicable settlement through the good offices of a mediator appointed by the Court of Arbitration for Sport (CAS) in Lausanne in accordance with the CAS Mediation Rules; if the settlement is not achieved in 30 days, either party may resort to the arbitration procedure above. The parties will be bound by a duty of confidentiality.

2. On condition that all Club’s obligations are fulfilled, EP grants the Club the licence to participate for one season with its highest level team in the EuroLeague, as described in the EuroLeague Club Licensing Rules, and any subsequent modifications, amendments and appendices thereto.

3. The Club commits itself to participate in the EuroLeague (including events in pre- and post-games), as well as in any exhibition, preparation or friendly game when the Club is required to do so (hereinafter referred to as the “Events”), in full compliance with the rules, regulations, agreements and resolutions of the management bodies of EP, Euroleague Commercial Assets S.A. (hereinafter referred to as “ECA”) and the company that may be constituted by ECA, or entrusted by ECA with the task, to deal with the organisation and administration of the EuroLeague (hereinafter the “Company”). In consideration of this, the Club will be entitled to all the rights derived from those rules, regulations, agreements and resolutions.

4. The Club commits itself to subscribe for and purchase ECA shares if so agreed by the General Assembly.

The Club commits itself to respect all shareholders’ agreements and resolutions and to sign with the utmost care and promptness all the necessary documents required for the smooth and effective administration and organisation of ECA and the EuroLeague (including but not limited to powers of attorney, minutes of shareholders meetings, and other corporate documents) in full compliance with any instruction and/or deadline as specified by the governing bodies of ECA, EP, and/or the Company.

The Club also commits itself, upon expiry or cancellation of this Contract (including the notification of cancellation), to sell all its ECA shares, if any, in full compliance with the procedures and pricing criteria established by the General Assembly.

EP will also be entitled to assign, grant, license or transfer the Audiovisual Rights to any third parties, exclusively or not, and under the terms and conditions stipulated in the previous paragraph.

Pursuant to the foregoing, the Club will not hold audiovisual rights or any other rights of a similar nature over the Audiovisual Rights nor may exploit them in any way or by any means, whether directly or indirectly, in whole or in part, unless with the previous written authorisation of EP.

In particular, the Club grants EP an exclusive and worldwide licence for the Club IP exclusively for the Purpose.

The authorisation granted by means of this clause is made on a royalty-free basis and allows EP to use and exploit, without any restriction, any intellectual property of the Club IP exclusively for the Purpose, together with the logos, symbols, trademarks and names of EP or together with the
logos, symbols, trademarks and names of EP and of any third party, through any form of exploitation and by any means, formats, materials or procedures, for any and all commercial, advertising and promotional purposes.

The assigned rights may be exercised exclusively for the Purpose in connection with the whole or part of the Club IP, as well as through the totality or part of the authorised modalities of exploitation, without any kind of limitation.

The authorisation of the Club includes the right of EP to assign, grant, license or transfer the use and exploitation of the Club IP to any third party and, in particular but without any limitation, to the official EuroLeague sponsors (hereinafter “EuroLeague Sponsors”), licensees, TV broadcasters and other business parties, under the terms and conditions stipulated in the previous paragraph.

7. The Club declares to have obtained, and hereby grants EP, all the commercial and advertising exploitation of the image rights (including all rights for the image, name, nickname, initials, signature, number, image, likeness (photograph, caricature, etc), voice, personal or biographical data or any combination, reproduction or simulation thereof) of its players, coaches, and other individuals belonging to the Club or somehow related to it (hereinafter referred to as the “Image Rights”), exclusively for the Purpose and, on a worldwide and royalty-free basis, provided that the Image Rights of these individuals appear linked to the Club, including wearing the Club’s apparel or footwear, or participating in any Events or any other public events organised by the Club or by EP, and provided that these events are related to the EuroLeague or to any other competitions or events organised by EP or by any of its successors, licensees or assignees.

The choice of the system of commercial and advertising exploitation of the image rights, granted in accordance with the previous paragraph, will be the remit of EP or any of its successors, licensees or assignees. The Club commits itself to the collaboration of the individuals mentioned above in the selected system of commercial exploitation.

The authorisation of the Club includes the right of EP to assign, grant, license or transfer the use and exploitation of the Image Rights above exclusively for the Purpose to any third party and, in particular but without limitation, to EuroLeague Sponsors, licensees, TV broadcasters and other business parties, under the terms and conditions stipulated in the previous paragraphs.

The Club acknowledges that in certain countries the protection and enforcement of rights in an individual’s “personality” (such as the Image Rights) requires the personal assertion of those rights by the individual in a manner prescribed by the relevant law in that jurisdiction. The Club agrees to assist EP in obtaining the necessary consents from the players, coaches or
other individuals in order to allow EP to exploit the Image Rights in accordance with the provisions set forth in this Contract.

8. As for the audiovisual, sponsorship, advertising, internet and merchandising rights related to the EuroLeague:

8.1. The Club hereby recognises and acknowledges that EP has been granted the sole and exclusive right to hold, use and exploit any and all commercial aspects of the EuroLeague, including, but not limited to, the right to retain:

   a) All revenues from any EuroLeague Sponsor.

   b) All revenues from the exploitation of any and all audiovisual rights (including the Audiovisual Rights) of any nature and pertaining to the EuroLeague competition, including without limitation the use of any and all still footage (provided that they have been extracted from moving footage) and moving footage, irrespective of how this footage has been recorded, reproduced, copied, stored, transmitted, or otherwise treated by any known or future means.

   c) All revenues from the exploitation of internet sites relating to the EuroLeague (but for the avoidance of doubt no revenues from internet sites owned by the Club are included).

   d) All revenues from the main/naming/presenting/title sponsor and other EuroLeague Sponsors and/or any EuroLeague game.

   e) All revenues from EuroLeague merchandise, it being understood that this right will extend to producing said merchandise or licensing the related rights.

   f) All revenues from the exploitation of the official EuroLeague suppliers (including without limitation, the suppliers of the ball, drink and computer services).

   g) All revenues from official publications of the EuroLeague.

8.2. The Club also acknowledges and agrees that EP is fully entitled, without limitation, to assign, grant, license or transfer, in full or in part, any and all rights related to the EuroLeague, as referred to in the preceding paragraph, to a third party according to the terms and conditions to be agreed between EP and this third party.
8.3. The Club acknowledges and agrees that EP is entitled to:

a) One third of the entire commercial electronic inventory, including 24 minutes on the electronic advertising boards around the playing court within the TV cameras coverage, in the arena where the Club is going to hold, as home team, the EuroLeague games except for the games designated as Game of the Week, for which what is established in the EuroLeague Regulations will apply.

b) One advertising space for EuroLeague self-promotion or for EuroLeague Sponsors positioned facing the playing court, on the upper side of each endline (so as to be within the TV cameras coverage) and between the team bench area and the basket support structure, and one advertising space for EuroLeague Sponsors placed on each end of the playing court, behind the endlines and in front of the basket support structures, in the arena where the Club is going to hold, as home team, the EuroLeague games.

c) The sole ownership of the advertising rights of the arena where the EuroLeague Final Four games and any other special events, including but not limited to All-Star games, are to be held.

d) One third of the digital advertising inventory of the Club, including the Club’s official website, for EuroLeague self-promotion or for EuroLeague Sponsors.

The Club acknowledges and agrees that any and all rights mentioned in this Paragraph 8.3 may be modified by the General Assembly.

The Club further acknowledges and agrees that EP is fully entitled, without limitation, to assign, grant, license or transfer any and all rights arising from this Paragraph 8.3 to a third party.

8.4. The Club also acknowledges and agrees that EP may grant exclusivity to the main/naming/presenting/title sponsor of the EuroLeague and may grant exclusivity to up to four EuroLeague Sponsors. In this case, under no circumstance may the Club’s sponsors (including but not limited to advertising located within the TV cameras coverage on the playing court or elsewhere in the arena) enter into conflict with the EuroLeague Sponsors.

Notwithstanding the foregoing, the main/naming/presenting/title sponsor of the Club will be protected when it coincides with the EuroLeague Sponsors above. In this case, the aforementioned EuroLeague Sponsors might share commercial, advertising and
promotional activities within the arena with the main/naming/presenting/title sponsor of the Club.

9. For the rights granted in this Contract the Club will be entitled to receive the economic amounts established and allocated by EP as a sports pool share for its participation in the EuroLeague according to the economic distribution agreed by the General Assembly.

The Club acknowledges and accepts that EP will retain the sum of 100,000 euros from the amounts to be paid to the Club to guarantee that there are no overdue payables with EP, the Company and/or EuroLeague and EuroCup members during the season.

The Club expressly agrees that EP may at its sole discretion offset and compensate for any sum due by the Club for any reason whatsoever (including but not limited to any economic obligations such as payment to referees or payment of fines or share transfer obligations if any) to EP, the Company, ECA and/or any other club that participates or has participated in the EuroLeague and/or the EuroCup against any sum due by EP or any of its successors, licensees or assignees to the Club.

The aforementioned amount will be transferred back to the Club after the end of the EuroLeague season (fully, if the club has fulfilled all its obligations, or partially if the Club has any overdue payables).

10. The Club acknowledges and accepts that EP may assign, grant, license or transfer the organisation and administration of the EuroLeague to the Company or to a third party, which could be the direct or indirect beneficiaries or licensees of this Contract or of the rights granted by the Club to EP herein.

11. The Club expressly declares that it neither directly nor indirectly:

   d) Has any power whatsoever in the management, administration and/or sporting activity of any other club participating in the EuroLeague Basketball Competitions.
The Club accepts and declares that no person involved in any role whatsoever in the management, administration and/or sporting activity of the Club is or may at the same time, either directly or indirectly, be involved in any capacity whatsoever in the management, administration and/or sporting activity of another club participating in the Euroleague Basketball Competitions. In addition, no person involved in the management of the Club may, either directly or indirectly, hold or deal in the securities or shares of any other club participating in the Euroleague Basketball Competitions.

The Club accepts and declares that no person directly or indirectly by themselves or involved in any company representing players and/or coaches may either hold or deal in the securities or shares of the Club or have any power whatsoever in the management, administration and/or sporting activity of the Club.

12. The Club represents and warrants that it is the exclusive owner of all the rights granted by virtue of this Contract, that these rights are free of any charges or limitations, that the use and exploitation thereof by EP will not involve or lead to an infringement of any third party rights and that there is no claim or dispute regarding these rights that could disrupt or affect their full and unhindered use and exploitation by EP in any way. The Club will indemnify, defend and hold full harmless EP, its affiliates, owners, directors, officers, employees, licensees and agents against any liabilities, damages (including the loss of profits), expenses, costs, claims, proceedings, fines or penalties in connection with: (i) any inaccuracy, omission, misrepresentation or breach of any representation and warranty herein; and/or (ii) the breach of any other provision of this Contract.

The Club undertakes not to request, demand or claim from EP any other economic consideration in the future in relation to the rights granted by virtue of this Contract and their use and exploitation by EP.

13. The stipulated term of this Contract is one season. At the end of the one-season period, the Contract will expire on 30 June of that year, without prejudice to any pending obligations that are derived from the participation of the Club in the EuroLeague and that will remain in force until complete fulfilment. Should the Club maintain the requirements that, according to the EuroLeague Club Licensing Rules, are necessary for participation in the EuroLeague, the Club will be entitled to sign a new Contract.

14. Cancellation:

EP has the right to immediately cancel this Contract and the licence granted hereunder, not to renew it or temporarily suspend it at its own discretion, by written notice to the Club, if the Club finds itself under any of the circumstances below, or for any other reason included in the EuroLeague Club Licensing Rules:

c) The conduct or omission of the Club, its owner(s) or manager(s) or any person(s) acting for the Club, is or becomes seriously detrimental to the image and standing of EP, ECA, the Company, the EuroLeague or other clubs participating in the EuroLeague Basketball Competitions (including but not limited to any action incompatible with basic values of sports and ethics).

d) The Club has been formally declared bankrupt or insolvent by a competent body in its home country, has entered into liquidation or dissolution or any similar proceeding affecting the ordinary course of its activity, or it is in a situation in which it is obliged under law to file an insolvency proceeding or be entered into liquidation or dissolution, winding up or any similar proceeding in its jurisdiction.

e) The Club does not cooperate with the utmost diligence and in good faith with any governing body or representative of the EuroLeague, EP, ECA or the Company or any of their successors, licensees or assignees.

f) The Club has been sanctioned with the prohibition of participating in the EuroLeague Basketball Competitions.

In addition to the cancellation or suspension of the Contract, EP may claim any damages related thereto.

15. The Club will not in any way assign, grant, license or transfer this Contract or the related licence to any third party nor will it assign, grant, license or transfer to any third party the rights and duties arising hereunder, without the prior written consent of the General Assembly.

To grant the authorisation established in the paragraph above, the General Assembly will take into account if the operation in question guarantees the
compliance with the EuroLeague Bylaws, and if it is beneficial for the EuroLeague, for the promotion of basketball and for the commercialisation of the EuroLeague properties.

16. This Contract will be governed by and construed in accordance with the substantive law of Switzerland.

All disputes arising out of or in connection with this Contract, including any question regarding its existence, validity, interpretation, breach, performance or termination, will be ultimately and exclusively settled under the Rules of Arbitration of the International Chamber of Commerce by a panel of three arbitrators appointed in accordance with these Rules. EUROLEAGUE REGULATIONS

CHAPTER I

General Regulations

Article 1. Company Structure

1.1. Euroleague Commercial Assets S.A. is the limited liability company (hereinafter “ECA”), acting pursuant to Luxembourg law, with registered office in rue Beaumont 17, L-1219 Luxembourg. It is governed by its Statutes and the resolutions of its governing bodies, the owners of which are the clubs participating in the EuroLeague and a number of leagues.

1.1.1. The General Assembly is the ECA body of representation and governance, where the ECA shareholders meet together with the associated clubs, which is responsible for the general supervision of the issues regarding the EuroLeague and for approving the Bylaws, as stipulated in the EuroLeague Club Licensing Rules. In addition, it ensures the coordination of the clubs and has the authority to make decisions and confer functions on the Shareholders Executive Board.

Any regularly constituted meeting of the ECA shareholders will represent the entire body of shareholders of the company. Resolutions of the shareholders are made by the General Assembly and are recorded in the minutes that are deposited in the registered office of ECA.

General meetings of the General Assembly will be held in the place, on the day and at the time specified in the notice of the meeting. If an amendment of any provision of the articles of the ECA Statutes is needed, an extraordinary meeting of the General Assembly will be held.

Written notices convening a meeting of the General Assembly will be sent by email to each shareholder at least eight days before the meeting, except for the annual meeting of the General Assembly to approve the annual accounts of ECA, for which the notice will be sent by registered letter at least 21 days prior to the date of the meeting.

If all shareholders are present or represented at the meeting of the General Assembly and state that they have been duly informed regarding the agenda of the meeting, the meeting of the General Assembly may be held without prior notice.
Any shareholder entitled to attend a meeting of the General Assembly may appoint as proxy another person who does not need to be a shareholder. This appointment will be made by the shareholder in writing (by email or fax) prior to the commencement of the meeting of the General Assembly.

Decisions in ordinary meetings of the General Assembly will be made by the majority of the votes of the members present or represented.

Extraordinary meetings of the General Assembly will not validly deliberate unless at least one half of the capital is represented and the agenda indicates the proposed amendments to the articles of the ECA Statutes and, where applicable, the text of those articles concerning the object or the form of the company. If the first of these conditions is not satisfied, a second extraordinary meeting of the General Assembly may be convened by means of a notice published twice, at a 15-day interval at least and 15 days before the meeting, in the Mémorial Recueil des Sociétés et Associations and in two Luxembourg newspapers. Such convening notice will reproduce the agenda and indicate the date and the results of the previous meeting. The second meeting will validly deliberate regardless of the proportion of the capital represented. At both meetings, resolutions, in order to be adopted, must be carried by at least two-thirds of the votes cast. Votes cast will not include votes attaching to shares in respect of which the shareholder has not taken part in the vote or has abstained or has returned a blank or invalid vote.

1.1.2. The General Assembly constituted the Shareholders Executive Board and granted it the duties to submit proposals and recommendations to the General Assembly, monitor and control the observance of the resolutions made by the General Assembly, take urgent measures when there is no time to convene a meeting of the General Assembly (subject to the subsequent ratification of the General Assembly), and exercise any further functions conferred on it by the General Assembly.

The Shareholders Executive Board will consist of the following members, elected by the General Assembly, for a three-year term of office:

- 11 representatives of the licensed clubs that participate in the EuroLeague competition.

- The Chief Executive Officer, who will act as chairman of the Shareholders Executive Board. The chairman is only empowered to vote in the event of equality of votes, in which case they will have the casting vote only.
1.2. Euroleague Properties S.A., or any of its relevant permitted successors, licensees or assignees (hereinafter “EP”), is the limited liability company, controlled by ECA, responsible for managing and organising the EuroLeague and EuroCup competitions (hereinafter “Euroleague Basketball competitions”) in which the EuroLeague and EuroCup clubs participate, as well as for commercialising the properties of these competitions (to deal with the promotion and development of the commercial activities linked to these competitions), in accordance with what is established in the relevant Bylaws.

1.3. EP has designated the company Euroleague Entertainment & Services, S.L.U. (hereinafter the “Company”), controlled by ECA, as the body responsible for the management and administrative organisation of the Euroleague Basketball competitions in accordance with what is established in the relevant Bylaws. The Company must adhere to the EuroLeague Regulations (hereinafter these “Regulations”) and any future modifications, amendments or derogations whenever the governing bodies approve them.

Article 2. Management and Organisation of the Competition

2.1. The Company will set up an office, the “Euroleague Basketball office”, which will be the unit of operation and administrative assistance for the undertaking of the objectives of the EuroLeague. It is understood that all administrative procedures the participating clubs have in relation to their participation in the competition, either provided in the EuroLeague Club Licensing Rules or in these Regulations, will be carried out with the Company.

2.2. The executive functions of the Company will be entrusted to its Chief Executive Officer (hereinafter “Euroleague Basketball CEO”) who will be appointed by ECA and who will report to this body. The Euroleague Basketball CEO will be the executive responsible for organising the competition. To these effects, the Euroleague Basketball CEO will adopt all necessary agreements and resolutions for the execution of these Regulations.

2.3. Each season the Company, in addition to dealing with the organisation and administration of the Euroleague Basketball competitions, may organise the SuperCup competition, to be played between the EuroLeague champion and the EuroCup champion from the previous season.
2.4. The Company may also organise games or tournaments of friendly nature with the participation of EuroLeague clubs, players and coaches, as well as any other promotional event.

Article 3. Object of these Regulations

The object of these Regulations is to regulate the development of the EuroLeague competition in each and all of its phases and to establish the relationship between the participating clubs and the Company throughout the season, without prejudice to what is stipulated in the Bylaws (including its appendices) and in any decisions adopted by the governing bodies.

Article 4. Official Season

The official basketball season will start on 1 July and will end on 30 June of the following year.

Article 5. Participants

Valid annual registration in the competition will also require compliance with the following:

b) Subscription of the number of shares set by the General Assembly, when appropriate according to what is established in the EuroLeague Club Licensing Rules.

This declaration will follow the model shown in Appendix III to the EuroLeague Club Licensing Rules and will be certified by an auditing firm.

f) Provision of an express declaration of sound legal position of the club, stating that the club, its managers and/or employees do not fall into the incompatibility situations established in Appendix IV to the EuroLeague Club Licensing Rules.

g) Payment of the amount of the annual registration fee agreed by the General Assembly.

h) Provision of documents to demonstrate that the club complies with the requirements set forth by the rules of the game and these Regulations.

i) Provision of a document to demonstrate the existence of an international airport at a maximum distance of 100km by road from the arena, with enough daily flights to allow the visiting team and officials to have access to the city under the right conditions, without significant disruption to their schedule.

j) Submission of documents including the Arena Short Form to demonstrate that the club has use of an arena to hold its home games with the minimum capacity established in the EuroLeague Club Licensing Rules, which is less than a four-hour commercial flight from Frankfurt and with all necessary technical elements duly approved for the game of basketball, as well as all other requirements set forth in these Regulations. If it is necessary, the Company may request the club to provide information regarding another arena that might replace the first one in the case that it cannot be used. Both must comply with the provisions of these Regulations. If requested by the Company, the documents that the club submits concerning its arena(s) will require the approval from its league.

The minimum arena capacity for A Licence clubs is 10,000 seated spectators.

The minimum arena capacity for B and C Licence clubs is 5,000 seated spectators.

k) Submission of the content (in English) of the agreements between the club and the owner and/or managing company of the arena for the use of the arena.

m) Submission of the Club Pre-Registration Form duly completed in all boxes and signed.

7.2. Other requirements are included in Article 5 and Article 11 of the EuroLeague Club Licensing Rules.

Article 8. Period and Procedures for Admission

8.1. The period for the clubs to present documents to the Euroleague Basketball office for registration will end on 30 April for their participation in the following season. If this day were to be a holiday, the deadline would be the following working day. In the event that on this date it is not possible to register the teams because the domestic championships have not finished, the Euroleague Basketball CEO may set another date.

8.2. The registration will not be considered valid if the club does not submit by the registration deadline the information regarding the arena where the games will be played during the season.

8.3. The Company may reject the registration of a club in the event that a sanction from FIBA for not honouring a BAT Award is in force, banning the club from registering new players coming from other countries and/or participating in international club competitions.

8.4. The Company will approve or reject the registration of a club once it has been verified that the requirements set forth in these Regulations and in the EuroLeague Club Licensing Rules have been fulfilled.

8.5. If the Company should find a formal omission in the documentation, it may grant a period of no more than fifteen calendar days for the club to correct it.
8.6. The registration will be rejected if the requirements are not fulfilled or when the formal omissions have not been corrected within the given time.

8.7. Should a vacancy become available in the competition, either because of a club's refusal, through the provisions of Article 8.6, or due to a disciplinary sanction, the advisability of a substitution and the procedure to carry it out will be decided in accordance with what is established in Article 7 and Article 12 of the EuroLeague Club Licensing Rules, depending on the type of licence that the club has left vacant.

Article 9. Name of the Team

9.1. The clubs may register their team in the competition with either the name of the sports entity (the club), or with that of the main/naming/presenting/title sponsor, with both of them or the name of the city only, depending on the club’s decision. In all cases, the name of the city must be included in English in the name of the team. This name, which must be written in Latin characters, will be the official one in regard to all effects related to or derived from the competition. Should two or more clubs request to register their team with the name of the same city only, the Company will have full discretion to ask them to make all the necessary modifications to avoid any likelihood of confusion.

9.2. The name of one commercial company at most may appear in the name of the team, without detriment to what is provided in Article 70 that governs advertising exposure on the playing uniforms.

9.3. No change in the name of the team will be allowed once the season has started, unless caused by the change of the main/naming/presenting/title sponsor and only if the club is signing an agreement with a new sponsor for at least two years. If the club loses the main/naming/presenting/title sponsor for any reason not attributable to the club, the Company may waive the requirement for the agreement with a new sponsor as mentioned above. In whatever case, the prior approval of the Company will be required before proceeding to the change.
**CHAPTER III**

10.4. The maximum number of players that may be registered in a team during the entire season will be 20, commencing one week before the
first Regular Season game, when the registration documents are submitted. At no time may there be more than 16 players registered simultaneously.

10.5. During the Regular Season until the Wednesday prior to Round 24 of the Regular Season at 18:00 CET, changes will be allowed until Wednesday at 18:00 (CET) on the week of the calendar date for the game in question.

These deadlines refer to the arrival of the documentation at the Euroleague Basketball office.

10.6. During the same season, a player may only transfer from one EuroLeague club to another EuroLeague club once: during the period between Round 15 and Round 16 of the Regular Season until Wednesday at 18:00 CET on the week of the calendar date for the game in question.

10.7. During the competition, the clubs will be obligated to communicate all player transactions, indicating whether a player release is temporary (for example, in the case of a short term injury) or permanent, the same day that they occur. The clubs will also be obligated to report all player injuries to the Company, classifying the cause of the injury, as well as documenting the number of days where team practices have been missed.

10.8. For the other team members included in the registration documents, the deadline for new registrations or replacements will be Wednesday at 18:00 (CET) on the week of the Final Four. Before the deadline above, changes will be allowed until 18:00 (CET) on the Wednesday of the week of the calendar date for the game in question. These deadlines refer to the arrival of the documentation at the Euroleague Basketball office.

10.9. In addition to the registration documents, on the same date, or on a previous one as determined by the Euroleague Basketball CEO, the clubs must indicate:

- a) The name of the person designated as technical court coordinator for their home games.
- b) Any other information that may be required in relation to the club’s participation requirements.
Article 11. Players

- Contract signed by the club and the player in accordance with Article 11.4.2 below.
- Any other documents required by the Company in order to guarantee the fulfilment of these Regulations.

Under no circumstances will documents received in any language other than English be accepted. The sworn translation into English of documents originally written in another language will be submitted.

The Company may request original documents when it considers it essential.

11.4.2. Appendix to the Player Contract

When registering a player in the competition, it will be compulsory to submit the contract of the player, together with the appendix included as Appendix II to these Regulations, both duly signed by the club and the player.
11.5. A minimum of 10 and a maximum of 12 players may be registered on the scoresheet of each game. These must be present, appropriately dressed and fit to play.

11.6. Any players who are registered with their club and not included on the scoresheet of a game may sit in the team bench area in street clothes, only if they do not exceed the total maximum number of people allowed to sit on the team bench, and will be entered on the reverse side of the scoresheet. Their participation in the game will be the same as a team follower.

11.7. The participation of a player not included in the registration documents approved by the Company will be considered as an improper fielding of a player.

11.8. A player registration request will be answered within a maximum period of five days from the time the request has been submitted. A request may be rejected in the event that the club has any overdue payables with the Company.

11.9. A player will not be allowed to play simultaneously for two different clubs, even if they are from different competitions. The exceptions are those players that can play with two teams of different category in their country, in accordance with the internal rules of the domestic championship. In all cases, the player must be registered for the EuroLeague and be authorised by the Company. When registering the player, the club will provide the documents supporting this circumstance.

Article 12. Coaches

12.1. On the Staff Registration List, the club must state which coach is the Head Coach, and the others will be assistant coaches.

12.2. To register the coaches the club must upload a scanned copy of their passport to the Euroleague Basketball registration platform. In addition, the club must submit its contract with the head coach together with its relevant appendix, the model of which is included as Appendix II to these Regulations, both duly signed by the club and the head coach.

Article 13. Team Followers

13.1. Each club must register at least one team manager and one doctor.
13.2. The doctor and the team manager will be considered as team followers.

13.3. The team manager will be responsible for submitting the Authorisation List and the Game List, both duly completed, to the Euroleague Basketball delegate at least 30 minutes before the tip-off time of the game.

Article 14. Technical Court Coordinator

14.1. During home games, the technical court coordinator will be seated at the scorer’s table and will be responsible for:

a) Accompanying the referees from the entrance of the arena to the locker rooms and from the locker rooms to the playing court before the game starts, during half-time and at the end of the game or under any other circumstance where it might seem suitable, complying with the instructions received from the referees.

b) Acting as a link between the two teams and indicating the locker rooms that are to be used.

c) Providing both teams with sufficient benches or chairs to seat the coaches, players and registered team followers, up to a maximum of 20.

d) Arranging the positioning of the benches or chairs at the regulatory distance from the scorer’s table, away from the public and preventing them from being occupied by members of the public.

e) Meeting the doping control officers and accompanying them to the doping control room.

f) Assisting the Referee by printing copies of the scoresheet and handing these to each team immediately following the Referee’s signature at the end of the game.

g) Maintaining order in the playing court area requesting the necessary intervention of security personnel before, during and after the game.

The technical court coordinator must be able to communicate fluently in English, besides in the local language.
The position of technical court coordinator will not be compatible either with any team follower position, any managerial position or with the club representative position at the General Assembly and/or the Shareholders Executive Board.

**Article 15. Registration of Team Followers, Technical Court Coordinator and Unified Scorers Crew**

To register the team followers, technical court coordinator and/or unified scorers crew, the club must upload to the Euroleague Basketball registration platform a scanned copy of each of their passports.

Additionally, when registering the technical court coordinator and the unified scorers crew, the club must provide their email addresses and mobile phone numbers.

**Article 16. Team Member Authorisation**

After all the documents required in this chapter have been submitted and approved, the Company will provide the corresponding Authorisation List.

**Article 17. Disputes**

The clubs or players/coaches will inform the Company in the event of dispute related to the breach or termination of their employment contracts, and will keep the Company updated of any change in the status of the dispute.

Euroleague Basketball will hold an updated list of active disputes available, upon request, to clubs, players or coaches registered in the Euroleague Basketball competitions.

The fact that a player or coach has an active dispute with a club may not prevent his registration with a club participating in the Euroleague Basketball competitions.

In the case that a player/coach is required to pay compensation to a club by a binding decision or by a settlement agreement, the player/coach and the new club that has hired him will be jointly and severally liable for its payment.

The Company may deduct from and accrue to the economic distribution of the clubs any amounts owed as a consequence of the
aforementioned joint and several liability of a club participating in the Euroleague Basketball competitions.

**Article 18. Mediation Regulation**

In the event of any dispute between clubs (participating in the EuroLeague and/or the EuroCup) arising out of or in connection with the hiring and transfer of a player or coach, or between a club and a player or coach related to the breach or termination of an agreement, the clubs and the player or coach concerned must submit the matter to amicable settlement proceedings under the Mediation Regulation, included as Appendix IX to these Regulations, prior to resorting to any other authority or mechanism of adjudication or settlement.

In the event of any prior compulsory proceeding as per the internal regulations of a country, the parties will inform EuroLeague Basketball of the result of the dispute.

Competition

Article 19. General Rules

The General Assembly is the competent body to approve and modify the competition system of the EuroLeague.

Article 20. Competition System

The competition will be played in three different phases as follows: Regular Season, Playoffs and Final Four.

20.1. Regular Season

20.1.1. Regular Season Calendar

The Regular Season calendar (match-ups) will be determined through a computer draw taking into consideration the availability of the arenas and promotional or commercial events, in accordance with the rules set forth in Appendix IV to these Regulations.

20.1.2. System of Play

The 16 teams will play in a round-robin format (each team against all the others both home and away).

20.1.3. Regular Season Standings

After each round and at the end of the Regular Season, a standing will be established in each group based on the number of games won by each team, with ties being resolved according to what is provided in Article 21.

20.2. Playoffs

The eight qualified teams from the Regular Season will play the Playoffs.
20.2.1. **System of Play**

The Playoffs will be held in a best of five games format. The team that wins the series will be the first team to win three games. The first two games will be played on the playing court of the four highest-place teams, the third game and, if necessary, the fourth, will be played on the playing court of the next four highest-place teams and the fifth game, if necessary, will be played on the playing court of the four highest-place teams. The match-ups for the Playoffs will be as follows:

- **Playoff A:** 1\textsuperscript{st} place Regular Season vs 8\textsuperscript{th} place Regular Season
- **Playoff B:** 4\textsuperscript{th} place Regular Season vs 5\textsuperscript{th} place Regular Season
- **Playoff C:** 3\textsuperscript{rd} place Regular Season vs 6\textsuperscript{th} place Regular Season
- **Playoff D:** 2\textsuperscript{nd} place Regular Season vs 7\textsuperscript{th} place Regular Season

The winners of the Playoffs will advance to the Final Four.

The rest of the teams will be eliminated from the competition.

20.3. **Final Four**

20.3.1. **System of Play**

The four teams remaining in the competition after the Playoffs will play the Final Four. This event will be held in a venue to be determined by the Company. The match-ups for the Semifinals will be as follows:

- **Semifinal A:** Winner of Playoff A vs Winner of Playoff B
- **Semifinal B:** Winner of Playoff D vs Winner of Playoff C

The order of play for the Semifinals will be decided by the Company.

The winners of the Semifinals will play the Championship Game as follows:

- **Winner of Semifinal A vs Winner of Semifinal B**

The winner of the Championship Game will be the EuroLeague champion.

Prior to the Championship Game, the Third Place Game will be played as follows:

- **Loser of Semifinal A vs Loser of Semifinal B**
If a team(s) from the host city participates in the Final Four, they will be treated as the home team in all the games they will play, except if they play each other, in which case the criteria mentioned above will prevail.

20.3.2. General Principles

The Final Four will be considered as a whole in terms of organisation, and the Company will be responsible for organising it.

Responsibilities related to the organisation of the Final Four may be delegated only under the supervision and approval of the Company with the understanding that the progress and results will remain subject to the supervision and approval of the Company.

Depending on the capacity of the arena and ticket demand, the Company may decide that the two Semifinals will be played and ticketed separately as two different sessions played on the same day and in the same arena.

EP will be the owner of all audiovisual, advertising and marketing rights for the Final Four event.

The Company will establish the financial and infrastructural conditions for selecting the venue for the event.

The Company may carry out various activities both inside and outside the venues with the goal of promoting and commercialising the Final Four, and will supervise all decisions related to communication, advertising and public relations.

The clubs will participate and collaborate in the press conferences and other public events of the Final Four when they are required to do so by the Company.

EP will reserve a minimum of 600 tickets for each of the participating clubs, so that the clubs can purchase them exclusively for their fans.

The clubs cannot resell the tickets without the prior authorisation of EP. In the case that the clubs do not sell all tickets to their customers, they will return them to EP to redistribute them.

Each participating club must appoint a fan security coordinator, who must understand and speak English, will travel with the fans and will be the liaison with them. The position of fan security coordinator will not be compatible with any other Final Four position.
At the Company’s request, the club will provide the Company with all the information regarding its fans attending the Final Four, such as their profile, travel plans and accommodation, as well as any other information that the Company considers necessary for the smooth running of the event. The club will also follow the instructions of the Company concerning the trip of the fans to the arena and the city area where they should be accommodated.

The clubs may not organise any fan zone or other activity for their fans without the previous authorisation of the Company.

At the Company’s request, each club will take all necessary steps so that the police from its country accompany its team fans during the entire Final Four and cooperate with the police from the Host’s country.

The Company will establish the rules that the clubs participating in the Final Four must fulfil. These rules include but are not limited to the following areas:

a) Game and practice schedules.

b) Benches and locker rooms.

c) Playing uniform colours.

d) Accreditation and invitation system for games and other activities organised during the event.

e) Use of the Final Four logos.

f) Means of transport (including arrival and departure dates) and accommodation in the host city of the Final Four.

g) Activities that require the participation of the clubs, their players, coaches and representatives.

h) Requirements of EuroLeague.net, EuroLeague.TV and other media.

i) Number of tickets reserved for each participating club and their location in the arena, as well as the deadlines for acquiring them.

j) Attendance at Final Four meetings.

The Company reserves the right to increase the rest time between the second and third periods of the games from 15 to 20 minutes.
20.4. **EuroLeague Champion**

The EuroLeague champion will participate in the competition the following season provided that the club fulfil the requirements of the EuroLeague Club Licensing Rules.

20.5. **Final Standings**

At the end of the competition, the final standings will be established as follows:

First place will correspond to the EuroLeague champion. Second place will be occupied by the runner-up. The winning team in the Third Place Game will occupy third place, and the loser will occupy fourth place.

Fifth to eighth places will correspond to the losing teams in the Playoffs ranked according to their standings at the end of the Regular Season.

Ninth to sixteenth places will correspond to the other eight teams that played the Regular Season, ranked according to their standings at the end of the Regular Season.

**Article 21. Tie Breakers**

21.1. Should a team have been sanctioned with the loss of a game or points or victories discounted from its standing by the disciplinary bodies on its season record, this team will occupy, in any case, the last place of all the teams with whom it may be tied in victories.

21.2. Should one of the tied teams have fewer games, this team will occupy the first place of all the teams tied with the same number of victories, without prejudice to what is provided in Article 21.1.

21.3. Applying the same criteria, should there be two or more teams that have played fewer games than other teams involved in the tie, they will receive the higher ranking, and ties between two or more such teams will be resolved according to the following paragraphs.

21.4. When establishing the ranking at the end of a round or at the end of a phase of the competition, and when the home advantage has to be determined for the Playoffs and there are two or more teams tied in the number of victories, the following will be applied without detriment to what is provided in the three previous paragraphs:
21.4.1. When the tied teams have not met or they have only done so on one occasion:

a) Should the tie in the number of victories occur between teams that, not having finished the phase in question, have not faced all the other teams or have met only once, the tie will be resolved, firstly, by the greatest goal difference (score difference), considering all the games played in that phase. If the tie is not entirely resolved, the ranking of those that are still tied will be resolved by the greatest number of points scored, taking into account all the games played in that phase.

b) Should the tie persist, the goal average (sum of the quotients of points in favour divided by points against) of each game played in that phase will be determined for each team, and the teams will be ranked according to this number, with the team with the higher number being awarded the higher ranking.

21.4.2. When all of the tied teams have met twice, both home and away:

I) WHEN ONLY TWO TEAMS ARE TIED

a) The ranking will be established taking into account firstly the number of victories in the games played between them, with the winner being the one with the most victories. If the two teams have the same number of victories, the tie will be resolved by the goal difference in the games played between them. Should the tie persist, the tie will be broken by taking into account all the games played in the current phase of competition firstly by using the overall goal difference and then, if necessary, the greatest number of points scored.

b) Should the tie persist, the goal average of each game played in that phase will be determined for each team, and the teams will be ranked according to this number, with the team with the higher number being awarded the higher ranking.

II) WHEN MORE THAN TWO TEAMS ARE TIED

a) The ranking will be established taking into account the victories obtained in the games played only among them. Should the tie persist among some, but not all, of the teams, the ranking of the teams still tied will be determined by again taking into account the victories in the games played only among them, and repeating this same procedure until the tie is entirely resolved.
b) If a tie persists, the ranking will be determined by the goal difference in favour and against in the games played only among the teams still tied.

c) Should the tie fail to be resolved through the previous procedures, the tie will be broken by taking into account all the games played in the current phase of the competition firstly by using the goal difference, secondly by the greatest number of points scored and lastly, if necessary, by the goal average.

d) If, in the course of applying any of the criteria provided in the three previous paragraphs, the tie were to be resolved partially but still with more than two teams remaining tied, the entire procedure will be applied again beginning with paragraph a), applying the greatest number of victories in the games played only among the teams still tied.

e) If, in the course of applying any of the criteria provided in paragraphs a), b) or c), the tie were to be resolved partially so that only two teams remain tied, the entire procedure will be applied again beginning with Section I, paragraph a), applying the greatest number of victories in only the games played between the two remaining tied teams.

21.4.3. Reference to the quotient of goal average in favour and against is understood as having a level of precision of one-hundred thousandths.

21.5. When resolving a tie between two or more teams, if one of the teams tied has a winning score of 20-0 against a specific team and the criteria to be applied to break the tie must be one of the following:

a) the goal difference of each game played in that phase

b) the greatest number of points scored in all games played in that phase

c) the greatest goal average of all games played in that phase

then none of the scores of the games played between the teams tied and that specific team that has a losing score of 0-20 will be taken into account.
CHAPTER V

Calendar, Dates and Times of the Games

Article 22. Calendar

22.1. The General Assembly will approve the official calendar of the competition. This calendar is enclosed with these Regulations as Appendix I.

22.2. The clubs may request only once during the season not to play at home on a calendar date due to the unavailability of the arena. The Company will comply with or refuse the request after evaluating its effects on the calendar.

Article 23. Dates and Times of the Games

23.1. The games will be held on Thursdays and Fridays, except when two Regular Season rounds are to be played within the same week and for the Playoffs games, which will be held on the dates established in the calendar. Taking into account the interests of broadcasting, optimising ticket sales and the competition itself, the Euroleague Basketball CEO will set the day on which the games are held.

23.2. The Final Four games will be held on the same dates as established in the official calendar, unless the rights holders should require changes, which must be approved by the Euroleague Basketball CEO.

23.3. Tip-Off Times of the Games

a) The Euroleague Basketball CEO will establish the tip-off times of all games. If a club would like a home game to start at a particular time, it must submit a request to the Euroleague Basketball CEO, who will make a decision on this petition.

b) When the games are broadcast on TV, as a consequence of an agreement signed between a rights holder and EP, it is the Euroleague Basketball CEO’s duty to establish the exact tip-off time of the games.

c) On the last round of the Regular Season, the Euroleague Basketball CEO reserves the right to schedule all games within the same group on the same day and at the same time (CET). Taking into account the interests of the competition, the Euroleague Basketball CEO may also decide that the games
from various groups begin on the same day and at the same time (CET).

23.4. Without detriment to what is provided in the previous paragraphs, the Euroleague Basketball CEO may exceptionally authorise the request for a change of the date or time of a game, bearing in mind the following conditions:

   a) When the requesting club has not complied with the provision stated in Article 7.1. k), its request for a date or time change will not be attended to.

   b) The date and/or time may be changed within the limits established in Article 23.1 when the home club requests this at least 15 days before the game is held. When this request is made less than 15 days in advance, the approval of the visiting club will be required.

   c) A change in date requested by the visiting club will, in all cases, require the acceptance of the home club.

   d) The time may be changed when the visiting club requests this at least 15 days before the game is held. When this request is made less than 15 days in advance, the approval of the home club is required.

   e) A request by the home team rights holder to change the date and/or time of a game made less than six days before the original date scheduled for the game will require the authorisation of the home club and visiting club in order for the change to be approved by the Euroleague Basketball CEO.

   f) A request by the visiting team rights holder to change the date and/or time of a game made less than 15 days before the original date scheduled for the game will require the authorisation of the home club and visiting club in order for the change to be approved by the Euroleague Basketball CEO.

   g) Before authorising any change, the Euroleague Basketball CEO will evaluate the effect that the modification may have on the competition, on the programming schedules of the rights holders and on the optimisation of ticket sales.

   h) All changes of date and time will be reported to the other clubs and the media within 24 hours following authorisation.

23.5. An inability to reach the city where the game is to be held will not be considered a case of force majeure that would be reason for the
suspension of the game, if the team's travel plan does not include a scheduled arrival in that city before midnight on the night prior to the game and/or in the case that the club has not submitted the team's travel plan.

23.6. A game may only be suspended when, due to injury or illness, the club does not have a minimum of eight of the players registered in the registration documents for the competition. The Company may require or make any ascertainment it deems suitable concerning the diagnosis of the injuries or illnesses.

Article 24. Standard Pre-Game Timing Format

24.1. The arena must be prepared and available for the teams 1 hour and 30 minutes before the game is scheduled to begin.

24.2. Regardless of the scheduled tip-off time, all games must follow a standard pre-game timing format in line with the example below:

Example, for a game that has a scheduled tip-off time of 20:45:

<table>
<thead>
<tr>
<th>TIME TO TIP-OFF</th>
<th>TIME</th>

</table>

24.2.1. All pre-game activities scheduled by the club must take place before the team presentation in order to preserve the standard pre-game timing format, the last warm-up period of the teams and the team presentation.

24.2.2. Clubs must introduce the players in accordance with what is set forth in Appendix VII. In all cases, the order of the line-ups must be provided to the rights holders no later than one hour prior to going live on air.
24.2.3. Players must come on to the playing court as they are introduced and stand at the free-throw line, facing the opposite basket, lining up side by side.

24.2.4. The use of different lighting, as considered most suitable for the event, will be allowed only during the presentation of the teams, provided that before tip-off, the lighting must be in accordance with the applicable arena rules. Once the game has started, the lighting in the playing court area may not be altered, except during half-time and only while the two teams are in the locker rooms. During the Game of the Week, the provisions of Chapter XII will apply.

24.2.5. At least 24 hours before the game, the home club will inform the Euroleague Basketball office and the visiting club of the pre-game procedure for the presentation of the teams and, in general, of the activities that will take place during time-outs and intervals of play between periods. The visiting club must be given this information before the end of its official practice scheduled for the evening before the game.

24.2.6. The clubs cannot alter under any circumstance the last 10 minutes of the standard pre-game timing format. Therefore, a club may only make changes to the standard pre-game timing format until 10 minutes prior to the tip-off time of the game, and with the Company’s approval.

24.2.7. No events or ceremonies will be authorised during the last seven minutes before the start of the third period.
CHAPTER VI

Games

Article 25. Rules of the Game

The Official Basketball Rules as approved by FIBA will apply in all games, except for those modifications approved by the General Assembly.

Article 26. Official Ball

The official ball will be the one designated by the General Assembly and will be the only one that may be used in games and practices.

Article 27. Playing Uniforms

27.1. The player uniforms will be authorised by the Company as stated in Articles 70.3, 70.4 and 70.5.

27.2. The home team will wear its main playing uniform unless requested by the Company to wear its reserve playing uniform.

27.3. At all games, the colours of the playing uniforms must be clearly different: as a result, one team will wear a dark colour and the other a light colour. The Company will specify for each game whether the visiting team will wear the main or reserve playing uniforms.

27.4. The visiting team must travel to all games with its main and reserve playing uniforms. If the team is flying, the players must keep them in their hand luggage, along with their socks and shoes.

Article 28. Official Date of the Games

28.1. All games will be considered held on the date that appears on the official calendar, even when they are held on another date. As a result, to all regulatory effects, the date appearing on the calendar will be adhered to by all.

28.2. Exceptions to the provisions of this article will be anything related to the fulfilment of sanctions, for which the provisions of the corresponding article in the Disciplinary Code will be abided by.
Article 29. Authorised Persons

29.1. The only people who can be in the playing court area and its surroundings and sit on the respective team benches are the team members registered in the registration documents approved by the Company. The maximum number of seats will be 20. They will be identified by their passport, the Game List and the Authorisation List provided by the Company. Individuals holding management positions within the club may not be in these areas.

29.2. The Referee will order any person not complying with these conditions to leave the team bench area or any place close thereto. Likewise, the Referee will order any person having been sanctioned with a disqualifying foul to leave the team bench area.

29.3. The scoresheet must include all people on the team bench up to a maximum number of 25. The clubs must ensure that the players in the best shape available for every game are on the scoresheet.

Article 30. Anthems

Only the EuroLeague anthem and the club’s anthem will be allowed to be played at games, always following the instructions of the Company.

Article 31. Beginning of the Game, Game Clock and Time-Outs

31.1. The teams may not use any excuse for not holding a game or delaying its start when they have been required by the referees to start. Any refusal to comply with the referees' order may be considered as failure to appear.

31.2. The game clock must always display the countdown until the beginning of play in the following situations: during pre-game, intervals of play between periods and half-time and before any extra periods.

31.3. TV Time-Outs

The Company reserves the right to apply TV time-outs in all games. In such a case four mandatory TV time-outs will be applied per game, one in each period. All TV time-outs will have a duration of 60 seconds each. TV time-outs will not exist in extra periods.

TV time-outs will be applied in the following manner:
a) The first time-out requested by a team in any period will be considered a TV time-out and will have a duration of 60 seconds. This time-out will count as both a TV time-out and a time-out for the team that has requested it.

b) If neither team has requested a time-out before the last five minutes remaining in the period then a TV time-out will be granted at the first opportunity when the ball is dead and the game clock is stopped, with the game clock displaying 04:59 or less time. This time-out will not be charged against either team.

The timer will be the person responsible for calling all TV time-outs.

The speaker must announce using the public address system whether it is a TV time-out or a regular time-out charged to either team.

**Article 32. Suspension of the Game and Preventive Measures**

32.1. No game may be suspended by anyone other than the Euroleague Basketball CEO. Best efforts will be made so that all games are played on the date established by the Euroleague Basketball CEO. For this purpose, the Euroleague Basketball CEO may request to take the necessary preventive measures to guarantee the smooth running of the game, including ordering a game being played behind closed doors, or allowing the referees to take the necessary measures they deem appropriate to guarantee the normal completion of the game.

32.2. In the event of force majeure and in the cases expressly stated in these Regulations, the Referee will be empowered to suspend the game by delegation of the Euroleague Basketball CEO, whom he must immediately inform concerning the reasons that caused the suspension and the measures adopted.

**Article 33. Suspension Due to the Absence of Safety Measures**

33.1. The absence of safety measures may, in highly exceptional cases, cause the suspension of the game before it begins, if the Referee believes, under their own responsibility, that there are no guarantees for its normal completion. In light of such a circumstance, the Disciplinary Judge will at his own discretion decide whether the game will be played or whether the home team loses by the result of zero to twenty (0-20).

33.2. If the Disciplinary Judge decides that the game must be played, he will also establish the conditions under which it will be held, as well as any compensation and sanctions that might apply.
Article 34. **Suspension of a Game Due to the Spectators**

34.1. If a game is suspended by the Referee due to seriously inappropriate behaviour on the part of the spectators, the Disciplinary Judge, assessing without coercion all the circumstances that are involved in the case, and mainly the safety measures adopted, the severity of the disturbances and the spectators causing them, will at his own discretion resolve whether the game must resume or whether the visiting team will be declared as the winner with the score standing at the time when the game was stopped if they are leading, else the score will be recorded as 0-20 in its favour.

34.2. Should it be decided to resume the game, the Disciplinary Judge will also decide the conditions and the form in which it has to be held, as well as the compensation and sanctions that might apply.

Article 35. **Suspension Due to a Reason Attributable to the Teams**

35.1. If the game is suspended by the Referee due to the attitude of the members of the two opposing teams, the Disciplinary Judge will at his own discretion resolve whether the game has to be resumed or whether it is given as concluded with the result on the scoresheet at the time of the suspension. If the incorrect behaviour that is the reason for the suspension is attributable to the behaviour of only one of the teams, the non-infringing team will be declared as the winner with the score standing at the time when the game was stopped if they are leading, else the score will be recorded as 20-0 in its favour.

35.2. If the Disciplinary Judge decides that the game must be resumed, he will also establish the conditions under which it will be held, as well as any compensation and sanctions that might apply.

Article 36. **Suspension Due to an Unsuitable Arena**

36.1. Should the Referee be obliged to suspend the game because the home club has no playing court or its playing court is not in a suitable condition or lacks the necessary technical elements, the Euroleague Basketball CEO, after considering the circumstances, will decide whether the game has to be played on another date. In such a case all the officiating costs will be at the expense of the home club, which must also compensate the visiting club with the amounts that the Euroleague Basketball CEO deems appropriate.

36.2. Notwithstanding the above, if the Euroleague Basketball CEO considers that an intentional infringement may have been committed, he will submit the matter to the Disciplinary Judge. In the event that
the Disciplinary Judge at his own discretion considers the intentional infringement proved, he will declare the loss of the game by the result of zero to twenty (0-20) without detriment to any compensations or sanctions that might apply in accordance with the Disciplinary Code.

Article 37. Failure of the Referees to Appear

When a game is not played due to the failure of the referees to appear, the Euroleague Basketball CEO will provide for the game to be replayed. The Company will cover the cost of travel or any other expense incurred by the visiting club and officials as long as they are duly justified, without detriment to any sanctions that might apply.

Article 38. Determination of New Date, Time and Place in Case of Suspension of a Game

38.1. In all cases that a game is suspended, either before the game starts or after it has started, the Euroleague Basketball CEO will decide on the place, date and time at which it will be held or resumed, as the case might be. The game will be played under the conditions established by the Disciplinary Judge, if any.

38.2. If the suspension of the game is attributable to one of the two clubs involved, without prejudice to the sanction that may be applied, the infringing club will pay for the officiating expenses and any other expense related to the suspension of the game, in addition to any new travel expenses of the opposing club if necessary. In the event that the suspension of the game is attributable to both clubs, the two clubs will assume the above-mentioned expenses in equal parts.
CHAPTER VII

Arenas

Article 39. General Rules

39.1. The arenas where competitions organised by the Company are to be held, will be covered and enclosed premises and must comply with the minimum technical and safety conditions provided in the following articles. For anything not covered herein, the Official Basketball Rules as approved by FIBA will be abided by.

39.2. The content of the agreements between the club and the owner and/or managing company of the arena for the use of the arena will have to be submitted to the Company prior to the beginning of the season as set forth in Article 7.1 k). Otherwise, any game date/time changes requested by the club will not be attended to.

Article 40. Playing Court Area

The playing court area must meet the following requirements:

40.1. Basketball playing court: The arena must provide a like-new condition parquet (wood) basketball playing court, duly installed, which must meet the requirements established by the standard DIN 18032. The basketball playing court may have permanent wooden flooring or mobile wooden flooring. It must have an antiglare surface.

40.2. Dimensions and colours: The playing court area must be adapted to the dimensions and the markings established by FIBA.

The lines marking the playing court must be at least 2m from the spectators, signage or any other obstacle, except for the provision stipulated below for the courtside seats. The marking lines will be 5cm in width and white- or black-coloured.

No lines other than those of the basketball playing court are permitted.

The height of the ceiling or lowest obstruction above the playing floor will be at least 7m.

Around the playing court there will be a further boundary line in a sharply contrasting colour (white is not allowed), or alternatively in
the same colour as the parquet floor of the playing court, marking an area of at least 2m in width.

The whole playing court surface must be of the colour of the wood parquet floor, and the restricted areas must be of the same colour of the area outside the 3-point line. The area beyond the restricted area and up to the 3-point line will be varnished in a lighter wood parquet colour than the rest of the playing court, as displayed in Graphics 10.

40.3. Courtside Seats (See Graphics 10)

Courtside seats may be placed along the entire length of the sideline opposite the team benches — leaving a space of 3m between seats in the centre (a space of 1.5m in width from each side of the centre line) in the first row of courtside seats; this space between seats may be 2.5m in width in the second row of the courtside seats, as shown in Graphics 10 — and along approximately the entire length of each endline, with the exception of the escape areas on both sides of the basket support structure, as indicated in Graphics 10. The space between the basket and the courtside seats along the endlines must include a space for the escape lanes as well as for the under the basket camera and camera operator. The escape lanes will be at least 0.8m in width and 2m in length, and the camera operator space will be at least 0.5m in width for a total space of 1.3m as shown in Graphics 10 and 12. The size of these spaces may be reduced only with the prior authorisation of the Company.

The courtside seats along the sideline may be placed directly on the playing floor, but the feet of a person sitting in the seats may not be closer than 1.5m from the playing court. The courtside seats on the endlines may be placed directly on the playing floor, but the feet of a person sitting in these seats may not be closer than 2m from the playing court. Those courtside seats along the endlines between the basket support structure and the team bench area must be placed behind the electronic advertising system boards. In the case that the Company notices any kind of public incidents due to the proximity of the spectators, it may request the club to eliminate the spectator seats closer to the playing court and/or the team bench area.

The Company will provide the clubs with the Code of Conduct for Users of Courtside Seats, and the clubs will be responsible for complying with it and for any related infringements committed by the courtside seat holders.

The Euroleague Basketball CEO may authorise the positioning of four courtside seats in between the home team bench and the scorer’s table, named bench seats, as shown in Graphic 10b.
These seats may not be occupied by executives, managers or other club members.

The Company reserves the right not to authorise a person to occupy one of these seats.

In no case may an authorisation be given to those clubs that have been sanctioned by the disciplinary bodies for serious or repeated incidents generated by the public during the current season or in the course of the previous season.

The club must send to the Company a request adjoining a detailed playing court area layout that shows the dimensions of the bench seats and the distance from them to the team bench, to the scorer’s table and to the playing court. Permission to use bench seats will not be granted in any case if the above documentation is not provided.

After receiving the request, the Euroleague Basketball CEO will evaluate all the circumstances, including the effects on the playing court area layout, in order to make a decision. The authorisation, if given, may be withdrawn at any time if the Company notices any type of incidents or actions affecting the course of the game, its participants or the image of the competition.

**Article 41. Backboards and Basket Support Structures**

**41.1. Backboards**

The backboards will be of a single piece of transparent, tempered glass 180cm on the horizontal side and 105cm on the vertical, and the lower edge will be 290cm from the floor. The technical characteristics, marking and padding of the backboard will be as established by FIBA.

The lines painted on the backboard must be white.

**41.2. LED Lights in Backboard**

Each backboard must be equipped with red LED lights outlining the inside of the four sides of the perimeter of the backboard to indicate the expiration of time in each period or extra period. The LED lights will be mounted on the inside borders of the backboards, flushing up against the inside of the tempered glass, and will be of a bright red colour.

The red LED lights installed in each backboard must be synchronised with the game clock in such a way that they light up, and stay lit,
brightly when each period or extra period expires. The red LED lights must not light up when the 24-second period expires.

Also, each backboard must be equipped with a horizontal strip of yellow LED lights immediately beneath the upper red LED lights to indicate the expiration of the 24-second possession.

The installation of these lights must be done in such a way that it ensures the safety of players and referees.

41.3. Basket Support Structures

The backboards must be firmly fixed on basket support structures on the floor at a right angle thereto and parallel to the endlines.

The basket support structures (including the padding) will lie at least 200cm from the exterior edge of the endline and must be in a bright colour so that they are entirely visible for the players.

The entire basket support structure that is behind the backboard must be padded at the bottom from the surface of the backboard to a distance of 120cm. The minimum thickness of the padding will be 2.5cm.

The base of the basket support structure facing the playing court will also be padded from the floor to a height of at least 215cm. The minimum thickness of the padding will be 10cm.

All padding will be constructed in such a way as to prevent limbs from becoming trapped. It will have a maximum indentation factor of 50%. This means that when a force is applied suddenly to the padding, the indentation in the padding does not exceed 50% of its original thickness.

Under no circumstances may ceiling-mounted backboards be used. Only floor-fixed or mobile backboard support structures are permitted.

Once the backboard support structure has been adjusted, the top edge of the ring must be at a height of 305cm.

The whole backboard support structure will meet the requirements of rigidity and elasticity established by FIBA.

The basket support structures will be suitably installed on the floor to ensure the safety of the players and referees.
41.4. **Replacement Equipment**

The arena must have one basket support structure and two spare backboards for replacement in the event of breakage, with the ring and LED lights already duly installed on one of them.

The club will have the necessary technical and personal means for the replacement to be made with the utmost speed.

**Article 42. Baskets**

The baskets must fulfil the following requirements:

42.1. **Rings**

The rings, which will be of pressure-release type, must comply with the technical conditions and specifications established by FIBA. The rings will be installed in such a way that no force applied to the ring will be transferred to the backboard. Therefore there will be no direct contact between the ring mounting plate and the backboard.

The rings must be of solid steel, with an inside diameter of a minimum of 45cm and a maximum of 45.9cm, painted orange.

The metal of the rings will have a minimum width of 1.6cm and a maximum width of 2cm.

When the pressure-release mechanism is activated by an applied force, the ring will not lower more than 30° below the original horizontal position.

When the force above is no longer applied, the ring will return automatically and instantly to the original position.

The arena must have at least two spare rings for replacement in case of damage.

42.2. **Nets**

Six nets will be provided by the Company each season. The nets will comply with the technical conditions approved by FIBA. There must be two new spare nets in the backup material storage area at all times.
42.3. **Measuring and Indicator Devices**

The arena must have an apparatus to measure the height of the ring, a dynamometer, a manometer, a thermometer and a level. In addition, the arena must have a metal measuring tape (from 0 to 50m) to measure the playing court, or any other electronic equipment that measures the dimensions of the playing court accurately.

---

**Article 43. Scorer’s Table and Team Benches**

43.1. The arena must provide the scorer’s table, for a total of 12 people and with a length of 10m, in accordance with the specifications of the Company. No substitution chairs or benches are permitted.

43.2. The positions at the scorer’s table for all games will be the following:

<table>
<thead>
<tr>
<th>Playing Court</th>
</tr>
</thead>
<tbody>
<tr>
<td>Visiting Club Media Director *</td>
</tr>
<tr>
<td>Speaker</td>
</tr>
<tr>
<td>Shot Clock Operator</td>
</tr>
<tr>
<td>Caller / Backup 1</td>
</tr>
<tr>
<td>Data Entry Scorer</td>
</tr>
<tr>
<td>Instant Replay System Operator +</td>
</tr>
</tbody>
</table>

* To be located at the position next to the visiting team bench

The media director will only be able to communicate with the team members sitting in the team bench area in order to comply with their obligations stipulated in these Regulations with regard to media issues, such as coordinating pre-game, half-time and post-game interviews.

No other person may sit at the scorer’s table unless previously approved by the Company.
43.3. On the same side as the scorer’s table, opposite the main TV cameras, there will be a marked area for the benches or chairs of the two teams. This area will be defined by a line of at least 2m in length traced as an extension of the endline and by another line 2m in length, traced 5m from the centre line and perpendicular to the sideline. The lines marking this area must be white, the same as those marking the playing court.

Located within these areas, in a symmetrical form, will be the chairs or benches with a backrest to be used by the teams, with a length of 9m. Each team bench will have a maximum of 20 seats.

A retractable belt barrier will be installed adjacent to the team bench area to separate those team members that are on the scoresheet from those that are not.

Without detriment to the indications of Article 40, the team benches must be located at a minimum distance of 2m from the spectators. Should this requirement fail to be observed, behind each bench there must be a transparent protective wall installed at a minimum height of 2m. If the circumstances should so require, the Company might request that the clubs install the protective wall behind the benches regardless of the distances in the arena.

43.4. The use of TV monitoring and/or replay equipment, computers (other than for statistics) or any electronic transmission device for coaching purposes during the game in and around the team bench area will not be permitted.

43.5. All coaches and team followers must only use the official coaching board provided by the Company during games in the case that the Company provides one.

Article 44. Electronic Equipment

The arena must have the following electronic equipment, which will be clearly visible from the scorer’s table, from the playing court, from the team benches and for any other person involved in the game including the spectators.

44.1. Scoreboards

A huge centre-hung scoreboard with synchronised displays clearly visible on all four sides. It will contain a digital countdown game clock with a very powerful acoustic signal to indicate the end of each period or extra period. For the last 60 seconds of each period and extra period, the game clock must indicate the time in tenths of a second.
The centre-hung scoreboard must indicate the points scored by each team, the number of each player from 0 to 99 (and preferably their corresponding surnames), the points scored by each player and the fouls committed by each player.

The centre-hung scoreboard will have a luminous mechanism that will indicate the number of fouls committed by each team, with numbers of team fouls from 1 to 5. This mechanism will not replace the red team foul markers used by the data entry scorer to indicate the five fouls by one team. The luminous counter will stop when it reaches the fifth foul.

The centre-hung scoreboard will also indicate the number of charged time-outs.

Since the centre-hung scoreboard cannot be clearly seen from the playing court, two large, synchronised scoreboards will be installed one at each end of the court. These scoreboards will display the same information that is displayed by the centre-hung scoreboard.

All the clocks and scoreboards installed in the arena must be synchronised.

The display of the clocks and scoreboards will be in bright contrasting colours. The background of the displays will be antiglare.

The scoreboards must be configured to continuously receive live data from the digital scoresheet.

The clocks and scoreboards must be mounted securely and must be able to withstand severe impact from any ball.

**44.2. Shot Clocks and Additional Game Clock (see Graphic 9)**

Two automatic devices, four-sided, to apply the "24-second rule" with an additional game clock and a brilliant red light, which will be installed above and behind the backboard so that they are perfectly visible (between 30 and 50cm from the front of the backboard). Four transparent shot clocks may alternatively be approved by the Company.

The shot clock must be automatic, with a digital countdown to indicate the time in full seconds only until the countdown reaches 4.9, at which point it will indicate the time including tenths of a second from 4.9 until 0.0, as well as a very powerful acoustic signal to indicate the end of the 24-second period.
The colour of the numbers of the shot clock and the numbers of the additional game clock will be different. The shot clock numbers will be red and the additional game clock numbers yellow. The numbers of the display units will have a minimum height of 25cm and a minimum width of 12.5cm.

The time-out countdown may not be displayed on the shot clock.

There will be backup shot clocks that can be placed directly on two corners, just off the playing court, in the event of a permanent malfunction of the main shot clocks. Therefore, backup wiring for the shot clocks will be placed at these locations.

44.3. Whistle-Controlled Time System

A Precision Time System 900 model must be used in all games. All the arenas must have the necessary equipment approved by the Company, composed of one device and at least four belt packs. One of them will be a backup belt pack. This equipment will be duly connected to the game clock and work properly. The system must be serviced at least once every 12 months.

44.4. Acoustic Signals

Two separate acoustic signals are required with different, very powerful sounds:

- One for the data entry scorer and timer. For the data entry scorer it will be activated manually. For the timer it will sound automatically at the end of playing time for a period, extra period and/or game.

- One for the shot clock operator, which will sound automatically at the end of the 24-second period.

These two signals must be sufficiently powerful so as to be heard easily in noisy conditions. A connection to the public address system of the arena is recommended. The Company will request the club to make the acoustic signals louder when it considers that they cannot be easily heard.

44.5. Unified Scorers Equipment

In addition to what is indicated previously, the arena must have the following equipment: two laptops with the necessary software installed, one pen tablet, one Skype device connected to the internet, one additional monitor and two table clocks at the disposal of the unified scorers.
44.6. **Instant Replay System**

The Instant Replay System will be used by the referees in all games of the season. The system will be used according to the rules set forth in Appendix XI.

The Company will decide on the technology to be used for the Instant Replay System, which will be installed at the scorer’s table.

In the case of using the Instant Replay System, only the referees and the Instant Replay System operator will be present in the area where the system is installed. The Referee will order any other person not complying with these requirements to leave the area.

44.7. **Technical Conditions and Electronic Equipment Check**

All of these electronic devices must comply with the technical conditions approved by FIBA, save those exceptions approved by the Company.

The clubs will be obliged to check all of their electronic devices to always have them in optimum condition for use. Likewise, the clubs will have a spare console for each of the electronic devices.

**Article 45. Basketballs and Ball Carts**

The basketballs and ball carts to be used for practices and games will be supplied by the Company. The home club will provide the visiting team with two ball carts that hold a minimum of 12 basketballs each.

Other provisions are set forth in Article 70.10.

**Article 46. Storage. Backup Material Placement**

An area will be designated on the arena floor level, below the seating area and adjacent to the playing court area, for the storage of backup basketball-related equipment.

The backup basket support structures, backboards, rings, nets and shot clocks, digital scoresheet laptop, as well as the whistle-controlled time system device, will be stored in this area immediately adjacent to the playing court area, on the arena floor level.

When determining the floor plan for the seating around the playing court, adequate space will be available to bring the complete support
structures, with backboards and baskets, on to the playing court, without delay.

Article 47.  Loading Docks

The arena will have adequate covered loading docks that will accommodate the loading and unloading of deliveries.

The arena will have a parking area that is adjacent to the loading docks.

Article 48.  Arena Audio Systems

48.2. Audio must be of a high quality for voice, music and sound effects.

48.3. The arena must have a public address system with a microphone located at the scorer’s table for the speaker.

48.4. The arena will provide two high-quality wireless hand-held microphones and two high-quality wireless lapel or headset microphones that can be used on the playing court and at other locations within the arena seating area for on-court presentations, promotions and entertainment during pre-game, intervals of play between periods, half-time and time-outs.

48.5. The arena must have an audiovisual control room to replay music from a digital format, to include at least one computer that will have the memory and speed to support extensive audio files, as well as a cart machine to play additional audio files.

48.6. Depending on the quality of the permanent audio system, the Company may request the club to supply an ancillary audio system for purposes of the on-court entertainment during pre-game, intervals of play between periods and half-time ceremonies and shows.

Article 49.  Game Operations

- During team practices the illumination will be the same as during games.

50.2. Lighting must be specifically focused for basketball, based on the configuration and placement of the playing court.

50.3. Any glare that may disturb the sight of the players and referees or affect the quality of the TV broadcast must be avoided.

50.4. The club will identify locations above the playing court, typically located on the catwalk level (recommended height of 15m), for the placement of up to four sets of strobe lighting, one in each of the four corners. These sets will be temporarily installed by Company accredited photographers under the supervision of the arena personnel.

- Each set of strobe lighting will include up to four separate strobe "heads." At each corner, the strobe lighting system will have a wiring harness for the installation of four lines, which will power one set of strobe lights. Each set will have synchro-
The cabling and be accessible to Company accredited photographers via an exchange switch located in the vicinity of the basket support structure.

- The strobe lighting and related equipment will be provided at the expense of the Company accredited photographers. Installation will be supervised by the arena lighting technician.

50.7. The club must ensure that the arena lighting system has instant restrike capability, allowing the lights to be turned off during pre-game presentations, special ceremonies and entertainment and then immediately turned on at full illumination. If the arena lighting system does not have instant restrike capability, dimming the playing court area lights once the game has begun will not be allowed.

a) The centre of the back of the shirt must display the number of the player, which will be at least 18cm in height. No other distinctive marking may be placed within 5cm of the number of the player.

b) Above the number, the name of the player will be inserted in upper-case letters on a single line of text that will be a maximum of 6cm in height. The name used for each player on the back of the shirt will be the one stated on the Individual Registration Form as “playing uniform name”, which will require the approval of the Company and may not be changed during the season.

The name of the player on the back of the shirt must be written in Latin characters, using diacritics when appropriate.

c) Under the number, one line of text must be displayed in upper-case letters 8cm in height, which must be the name of the city exactly as included in the name of the team. If the text is over one line, the inclusion of two lines, each 6cm in height, may be authorised. Only text will be authorised in this area. This text must be placed at a minimum distance of 3cm and a maximum of 5cm from the number.

The name of the city on the back of the shirt must be written in Latin characters and in English.

70.2.3. **Shorts** (see Graphic 3)

The advertising of a club’s second sponsor is allowed on the front of the shorts, and the following requirements must be met:

The club will state which uniform is the main playing uniform, and the other(s) will be the reserve playing uniform(s). The main and reserve playing uniforms may not be of different shades of the same colour. The clubs are obliged to send to the Euroleague Basketball office a sample of each playing uniform including shirt and shorts by 31 August. Sending to the Company the design of the playing uniforms in a digital file does not substitute the shipment of the samples. Following the authorisation of the Company, the playing
uniforms must be produced by 15 September. The same steps will apply to all further modifications.

In the case that the Media Day established in Article 88 is held prior to 15 September, the Company will authorise the playing uniforms no later than one week before the date scheduled for the Media Day and the uniforms must be produced to be used on the Media Day.

If the club loses the main/naming/presenting/title sponsor for any reason not attributable to the club, the Company may waive the requirement for the agreement with a new sponsor as mentioned above. In whatever case, the prior approval of the Company will be required before proceeding to the change.

70.4.4. Changing any of the distinctive markings of the playing uniforms is not authorised, even if it is for including non-commercial brands or entities or for corporate or solidarity purposes, unless it is approved by the Company.

70.6. **Other Garments and Equipment**

70.6.1. The following garments and equipment are permitted provided that they do not pose a danger to other players and are either black, skin-coloured or the same dominant colour as the playing uniform:

The need to use these garments and/or equipment by medical prescription must be communicated to the Euroleague Basketball office by the medical staff of the club within 48 hours before the game.

70.6.3. The authorised garments and/or equipment, when necessary, must be the same colour as the rest of the playing uniform and be the same for all players on the team. In no case may they display any advertising or logo different from that of the manufacturer, club or competition.

They will be placed facing each other as shown in Graphic 10. The clubs will be responsible for their production and placement. The Company will provide the clubs with their design and dimensions. These logo stickers may change during the season if requested by the Company.

f) One advertising space for the EuroLeague sponsors must be reserved on each end of the playing court area, behind the endlines and in front of the basket support structures (the Company will provide the clubs with the design of the relevant logo sticker, and the clubs will be responsible for its production and placement).

g) Two transparent EuroLeague (or, in their place, the name and/or logo of EuroLeague sponsors or any other content in the reasonable discretion of the Company) logo stickers must be displayed (dimensions to be decided by the Company) within the playing court. They will be placed on opposite sides of the playing court facing the TV cameras platform as shown in Graphic 10, each being positioned in an area limited by the endline, the centre line and the 3-point line (the Company will provide the clubs with the design of these logo stickers, and the clubs will be responsible for their production and placement). These logo stickers may be different in the Regular Season and Playoffs if requested by the Company.

h) No other advertising and/or branding is permitted outside the perimeter of both free-throw circles and centre circle, even if
this is an extension of the advertising and/or branding that appears inside the circles.

i) Basket Arm LED Boards: It is mandatory that all clubs have an electronic advertising system installed on the horizontal basket support structure of both baskets. The Company will provide the clubs with the equipment of the basket arm LED boards as well as an installation crew prior to the start of the competition. The clubs will be responsible for the appropriate maintenance of the equipment as well as for the management of the advertising software during the EuroLeague games.

The clubs will be authorised to use the equipment only in EuroLeague games. Should a club want to use this equipment in other games or competitions, it will be required to reach a commercial agreement with the provider of the equipment prior to its use. The following specifications are compulsory:

- Only still footage may be displayed on the basket arm LED boards during game time. No animations will be permitted.

- Advertising must be static when the ball is alive, meaning that transitions from one advertisement to another will only be allowed when the game clock is stopped between periods.

- The exposure time of the contents displayed on the electronic advertising system of the basket arm LED boards will be shared between the Company and the home club in equal parts during game time (36 minutes of advertising time for each party). Each party will be allowed to display a maximum of two different brands within its assigned 36-minute exposure. For the avoidance of doubt, the two club brands will respect the exclusive categories reserved for the EuroLeague sponsors, as stipulated in Articles 70.9.1 and 72.1 of these Regulations. The Company will provide the home club with the playlist and period distribution prior to each game. This provision will not be applied in the Game of the Week.

- During the games designated as Game of the Week, the clubs must make the entire time available on the basket arm LED boards to EP, for the EuroLeague sponsors. EP will make available 18 minutes of exposure on the electronic advertising system of the basket arm LED boards for the club, which will be allowed to display only one club brand, always respecting the exclusivity granted to the EuroLeague sponsors mentioned above.
• Advertising must be set to 50% of the maximum brightness with a recommended level of brightness of 20-25%, unless otherwise specified by the Company.

• Advertising must be able to be deactivated at the request of the referees.

• The electronic advertising system must be independently operated and may not be connected to any other competition clock.

• The advertisements of the basket arm LED boards may be different from those of the electronic advertising system around the playing court.

70.9.4. Outside the Playing Court Area

a) It is mandatory that all clubs install an electronic advertising system (LED or LCD) in their arenas, next to the playing court area, for all games. The electronic advertising system will be installed all along the TV cameras coverage, which includes the entire sideline (leaving only the necessary space to gain access to the team benches) and the upper part of the endlines, as shown in Graphic 10. No other type of advertising platform will be allowed in this area. It is also mandatory that all the electronic advertising boards simultaneously display the same image.

b) All electronic advertising boards must be clearly visible and must be between 80cm and 90cm in height. The clubs will inform the Company regarding the characteristics, dimensions and technical specifications of the electronic advertising system in their arenas no later than three weeks before the first game of the competition. The electronic advertising boards will be positioned around the playing court area, opposite the main TV cameras, covering the sideline and the part of the endlines nearest to the team bench area, forming an inverted U. The boards will be distributed in the following way:

• At the endlines, a minimum of 6m will be covered on each side.

• At the sideline, a minimum of 26m will be covered (6m to 7m on each side, 12m to 14m in the central part).

• The open area to access each team bench area will be a maximum of 3m wide.
• No empty space may be left between the sideline boards and the endline boards. The boards must be installed in such a way that a 90 degree angle is formed in the corners. Therefore, cheerleaders, mascots, photographers or any element that may obstruct the view of the electronic advertising boards will not be positioned in front of them.

All types of advertising boards must allow easy access to the playing court and guarantee the safety of all personnel involved in the game. All boards must be adequately padded with impact absorbing material in order to guarantee all personnel’s safety as detailed in Article 61.3.2. At the same time, the positioning of the advertising boards will have to comply with public safety regulations in the country in which the arena is located.

c) Electronic Advertising Rules

All the electronic advertising system animations must fulfil the following style guidelines and specifications:

• White, light and bright backgrounds are not recommended in the electronic court advertising animations. It is recommended to always use dark backgrounds with high contrast levels over the displayed information.

• The content screen displayed within every animation must be static for at least five seconds. For instance, an animation lasting 15 seconds and displaying different content must keep each part of the content static for at least five seconds.

• It is not permitted to display animations that may disturb the concentration of players, coaches and/or referees (i.e. flash/spark/blink animations).

The Company will provide the clubs with an extended version of these Electronic Advertising Rules containing right and wrong examples.

d) During the entire season up to the Final Four, all clubs must make available for EP:

• 24 minutes on the electronic advertising boards around the playing court within the TV cameras coverage. These minutes made available must be 24 minutes of playing time,
which means that exposure during intervals of play
between periods, half-time and time-outs is not counted.
These 24 minutes must also be equally distributed among
the four periods. This provision will not be applied in the
Game of the Week.

The Company will provide the clubs with a 15-second
animation of the EuroLeague sponsors for the electronic
advertising system. This animation must be played once at
the beginning of each period.

- During the games designated as Game of the Week, the
  clubs must make the entire time available on the electronic
  advertising system to EP, for the EuroLeague sponsors. EP
  will make available 12 minutes of exposure on the
electronic advertising system for the club’s sponsors. These
12 minutes will be divided into two sponsorship packages
that the club may sell to its own partners, respecting the
exclusivity granted to the EuroLeague sponsors.

- The necessary time to display the official animation of the
  competition on the electronic advertising system, which the
  Company will provide, will be made available by the clubs
prior to the start of each game and prior to the start of the
third period. This animation must be the only one shown
during the last 10 minutes prior to the tip-off time of the
game, and during the last six minutes before the third
period. It will not be counted as part of the 24 minutes
reserved to EP.

- The club must provide the Company with an advertising
  space for direct marketing actions, promotional campaigns,
sample distribution and on-site sales purposes during the
entire season.

  e) It is not allowed to advertise any non-Euroleague Basketball
     event on the electronic advertising system unless authorised by
     the Company.

  f) All the clubs that have electronic advertising boards on the
     opposite side of the team bench area and the scorer’s table, as
     well as along the endlines furthest away from the team bench
     area, must synchronise the advertising animations with the
     animations played on the electronic advertising boards
     mentioned in paragraph a) of this article.

  g) In no case will advertising be allowed in the vicinity of the
     electronic advertising boards, behind the team bench area,
behind the scorer’s table, or in any other area within the master camera coverage, except for what is stated in point h) below.

h) Advertising on the benches (seats, cushions, protective wall, etc) can be managed by the club but must not interfere with the visibility of the game from the seating area and on TV. The logo of competitions other than the EuroLeague may not be displayed.

i) Advertising is also permitted outside the TV cameras coverage and on a video screen, located away from the playing court area. If advertising announcements include audio, they may be run only during intervals of play between periods or half-time.

j) The Company will provide the clubs with a playlist including all EuroLeague sponsors and corporate content video animations, which will be shown on the electronic fascia boards of the arena, if any, during 24 minutes of playing time, which means that exposure during intervals of play between periods, half-time and time-outs is not counted. These 24 minutes must also be equally distributed among the four periods. The Company will also provide the clubs with a playlist with similar content to be shown on the video screens of the arena. The Company will be entitled to one third of the commercial inventory on these platforms. No brand entering into conflict with the EuroLeague sponsors may appear on the electronic boards, except for the main/naming/presenting/title sponsor of the club.

k) The remaining advertising is for the club but the Company reserves the right to display banners, boards and others, bearing the EuroLeague logo or one of its sponsors.

70.9.5. General Information

a) Advertising cannot be used as a means to give support to the home team or in such a manner as to alter the emotional state of the spectators or to incite violence.

b) Advertising placed in the playing court area that is not directly painted on the floor must be fixed safely.

c) Advertising Production Costs: If a club decides to change its electronic advertising system during the season (dimensions, specifications, etc) it will bear the cost of reproducing all advertising of the EuroLeague or EuroLeague sponsors already produced and paid for the season by EP and/or the Company.
d) If the club cannot find advertising production costs lower or equal to market prices, it will be responsible for providing the Company with all necessary technical information for the advertising production by the Company in another country.

e) If a club, for technical reasons, is facing difficulties in placing the advertising of the EuroLeague or any of its sponsors, it will inform the Company at least 24 hours in advance of the game, so that the Company can find a solution.

f) Any refrigerators by the playing court area must display only the EuroLeague Official Soft Drink Provider and must be placed in a manner that they will be visible to the TV cameras. Only the Company has the right to designate the isotonic beverage and/or bottled water that is made available to the players on the sidelines.

70.10. **Official Ball and Ball Carts**

70.10.1. The official ball will be the only one that may be used in the games.

70.10.2. The official ball may not be used in competitions other than the EuroLeague, unless it is approved by the Company.

70.10.3. No markings that may be visible in photos or on TV footage will be allowed on the ball.

70.10.4. The Company has the right to select the design of the ball carts and include the EuroLeague logo and the logos of any or all of its sponsors on their sides.

70.10.5. It will be compulsory to place the ball carts designated by the Company on the centre of the playing court and within the TV cameras coverage before the game and during half-time.

**Article 71. Merchandise**

71.1. EP will be the only entity responsible for the production and/or sale of EuroLeague merchandise.

71.2. The clubs will collaborate with EP and/or the Company in the production, sale and promotion of the merchandise that they produce for commercial purposes during each phase of the competition and for other EuroLeague events. For these purposes, the clubs will collaborate in the following manner:
a) Each season, the clubs will send a report on their existing non-branded and branded merchandise collection (detailed with existing items/references) to the Company before 1 September.

b) The Company will send to the clubs the proposed items/references and designs of the EuroLeague collection for the season before 7 September.

c) The clubs will communicate whether they agree with the proposal no later than 15 September, to enable the Company to make the due changes to the collection. If no feedback is received before this date, the collection will be considered as correct and ready for production.

d) The Company will approve the final design of the collection no later than 30 September, in order to produce it and launch it no later than 1 December.

e) The main method of sale will be through the EuroLeague online store. Once the collection has been launched online each club and the Company will discuss on how to access in-market opportunities meant to grow the EuroLeague points of purchase (POP) in local retail channels and speciality stores.

f) All clubs must have a EuroLeague dedicated area within their own permanent merchandise store (offline and online) to display and sell the EuroLeague merchandise. In the event that the club does not own any permanent merchandise store, this area will be placed both in the merchandise stands inside the arena where the team plays the EuroLeague games and in at least one local specialised basketball store.

The clubs that have a permanent merchandise store must delimit a EuroLeague merchandise dedicated area (minimum of 2m in height × 1.5m in width). The top of this area must be properly branded with a EuroLeague Basketball and club creativity (the design will be provided by the Company).

In the case of the merchandise stands inside the arena, these will feature a EuroLeague dedicated area (minimum of 1.5m in height × 1.5m in width) to display and sell the EuroLeague merchandise.

In all cases, the club will be responsible for managing the EuroLeague merchandise dedicated area. In the case of the local specialised basketball store, the club will reach the necessary commercial agreements with the store management.
The Company will inform the clubs of the products that they have to sell in the EuroLeague merchandise dedicated area.

In addition, each club will send a maximum of 50 official shirts to the EuroLeague online store no later than 30 September and at no cost to the Company. The Company will make the request for the final number of units to each club based on demand estimations. The Company will send to each club quarterly reports detailing the status of the shirts and the sales made. The clubs will receive the retail price of each shirt sold no later than 30 June. If at the end of the season the shirts have not been sold, the club and the Company will agree in good faith that the EuroLeague online store keeps them in stock for one more season at a discounted rate for customers. If the shirts remain unsold at the end of the second season, the club and the Company will agree on their use.

71.3. In no case may the clubs produce merchandise with the logos of the EuroLeague, the Final Four or any other intellectual property of EP without the prior authorisation of this company.

71.4. For the Final Four or any other event organised by the Company, only the Company and/or EP may produce and/or sell any type of merchandise regardless of whether or not it includes the EuroLeague, Final Four or any other event-related logo.

The Company will produce the EuroLeague champion shirt. The clubs may send the logo of their main sponsor to be included in the shirt design.

71.5. EP is authorised to use the brands, logos and emblems of the participating teams, as well as the footage of players and teams from the EuroLeague picture database, for producing EuroLeague merchandise.

71.6. The clubs may ask the Company to include any of their own merchandise items in the EuroLeague online store. The Company will study the request and will authorise it if considered appropriate for its own sales campaign.

71.7. The clubs producing replicas for sale or promotional purposes must produce replicas of EuroLeague playing uniforms.
Article 72. Sponsorship and Promotion

72.1. General Principles

As already stated in Article 70.9.1, all club sponsors will respect the exclusivity granted to the EuroLeague sponsors (see contract between EP and each club).

The clubs will not be allowed to promote, advertise or enter into agreements with any sponsor or company that contradicts with the exclusivity basis upon which EP defines all its sponsorship and partnership contracts, nor any event, entertainment or sports competition other than the EuroLeague.

Only in the case that EP signs a new sponsorship category contract within the season, will it allow the club to continue with its contradicting endeavour until the end of the season, always excluding any promotion during the Final Four, where all the advertising platforms are controlled by EP. When the season ends, the exclusivity basis will be the only modus operandi during games, according to the Licence Contract signed between EP and the clubs.

72.2. Exposure for EuroLeague Sponsors

The Company will provide the exact details on how and when the advertising of the EuroLeague sponsors will have to be displayed during games.

Furthermore, the Company will provide the correct sponsor logo and technical specifications for each advertising platform in order to fully comply with the agreements set forth with all its sponsors or partners.

Article 73. On-Court Promotions and Consumer Promotions

73.1. The clubs will allow the Company to conduct on-court promotions, consumer promotions, product displays, distribution of samples and handouts and other activities on behalf of EuroLeague sponsors in their arenas. For this purpose, the Company will inform the clubs well in advance.

73.2. The on-court promotions conducted by the clubs will respect the exclusivity basis upon which EP defines all its sponsorship and partnership contracts.

73.3. Under no circumstances may a club conduct any type of promotional activities (for instance, contests) using and/or offering Final Four
tickets, packages or similar for the purposes of the club and/or any of its sponsors and/or media. The Company’s prior written approval will be required for these types of promotional activities.

Article 74. Club Obligations Related To Marketing

This article indicates the most relevant obligations of the clubs with reference to marketing. Other obligations are specified in Chapter XIII.

74.1. EuroLeague Anthem, Video Screens and Team Presentation

74.1.1. EuroLeague Anthem

Each club must play the EuroLeague anthem during its home games. The Company will provide the clubs with the anthem (a 30-second track). The clubs will have the obligation to play it in the following manner:

- During the team presentation, as described in Article 74.1.3.
- Immediately after the final buzzer sounds, before any other song or anthem.

The EuroLeague anthem must be played entirely from the beginning to the end. When the anthem is being played, the public address system will not be used, except in case of emergency.

The EuroLeague anthem may not be played at moments other than those expressly stated in this article.

74.1.2. Promotional Spot and Sponsors on the Video Screens

74.1.2.1. The clubs will be provided with the EuroLeague promotional spot to be shown on the video screens of their arenas at least once before the start of the game (during the last warm-up period), and at least once during the half-time of their home games and whenever they consider it appropriate.

74.1.2.2. The Company will also provide the clubs with a playlist including all EuroLeague sponsors and corporate content video animations, which will be shown on the video screens of the arena at least three times during each home game: one before the start of the game, one during half-time, and one after the game. Each of the spots included in this playlist will last a maximum of one minute.
74.1.3. Team Presentation

As set forth in Article 24.2 the team presentation will start seven minutes prior to the tip-off time of each game, and is described in Appendix VII.

During the team presentations and until the EuroLeague anthem finishes the EuroLeague sponsor's video sequence will be displayed on the electronic advertising system. The Company will provide each club with the videos to be displayed.

The team presentations will be made with low general lighting, provided that this is permitted by the lighting system installed in the arena.

74.2. Sponsor List

All clubs must provide the Company with a complete detailed and accurate listing of all club sponsors, no later than 15 September and 15 March each year, which includes:

a) Name of brand.

b) Name of sponsor parent company.

c) Term of the agreement, including the expiration date.

d) Bartered services.

e) Exclusivity provisions, if any.

f) Number of complimentary tickets included in agreement with the sponsor; face value of these tickets.

g) Number of minutes of TV advertising included in the agreement.

74.3. Backdrop for Interviews and Press Conferences

a) A backdrop that is 2.5m high by 6m wide will be placed directly behind the head table of the press conference room. The design and content of the backdrop will be provided by the Company. The production and placement of the backdrop will be the responsibility of the club. Only the Company will be authorised to make any modifications to this backdrop during the season.
Depending on the press conference room layout the Company may approve a backdrop of dimensions different from those specified above.

b) A EuroLeague branded mixed zone backdrop must be produced by the club based on the general design provided by the Company and adapted to each club’s required size. The backdrop must be used in all video interviews conducted by the media before, during or after each game, except in the on-court flash interviews conducted by the rights holders and in the team locker room interviews, in which no backdrop will be used.

c) All the pre- and post-game on-court interviews performed by the rights holders must be conducted with a transparent-backgrounded portable backdrop with wheels. The design to be printed on the transparent backdrop, which will incorporate the rights holders brand, as well as the brands of the club and the EuroLeague sponsors, will be provided by the Company.

The production and management of the backdrop will be the responsibility of the club. Each club will produce as many backdrops as the number of rights holders that its territory has.

Any modifications of backdrops during the season, due to the signing of an agreement with a new EuroLeague sponsor, are the responsibility of the club. All clubs have to produce on time the backdrops, according to the Company’s designs, and send a photo of the finished product to the EuroLeague Basketball office at least two weeks before the start of the Regular Season.

74.4. Press Conference Room

The club must use a front cover for the press conference room head table. The club may display its brands on the front cover of the head table on the understanding that no brand entering into conflict with the EuroLeague sponsors may appear on this platform.

Notwithstanding this, the Company will be entitled to place up to two different products of its official partners for each of the microphones on the press conference table, in a visible position to the TV cameras, during all press conferences of the season. The Company or the partner will be responsible for the shipment of the products to each of the clubs at the beginning of the season.

Branded soft drinks may also be displayed on the top of the table. In no case may the products of the partners of the Company or the soft drinks of the clubs obstruct the faces of the individuals speaking at the press conference.
74.5. **Tickets**

74.5.1. In order to comply with the commercial agreements of the Company, the clubs will be obliged to provide the Company for each of their home games with a maximum of 100 complimentary tickets during the entire season, 20 of them including free access to the VIP hospitality area and its services, provided that the Company confirms its need for these tickets 48 hours in advance of the game. These tickets will be in a preferential area of the sideline seats, located in a safe seating area, close to the playing court and providing a good visibility of the game. The clubs will provide the Company with electronic tickets (print-at-home or digital tickets). If a club cannot provide electronic tickets, ticket collection arrangements will be made between the Company and the club.

74.5.2. Prior to the start of the competition and no later than 1 September, all clubs must submit to the Company at least one map detailing the access points to the arena, showing the seating areas in which the Company's guests will be seated, for approval.

74.6. **Players and Coaches**

Players and coaches of the teams must cooperate with the Company according to Article 114.2 of these Regulations.

74.7. **Euroleague Basketball Corporate Social Responsibility Programme**

All clubs must participate in the Euroleague Basketball Corporate Social Responsibility Programme, One Team, in accordance with at least the following requirements and commitments:

Each club must appoint a CSR manager/One Team manager, who will be responsible for the Euroleague Basketball Corporate Social Responsibility Programme.

Each of the One Team clubs will designate at least one of their players as their One Team ambassador. In addition, the One Team clubs can also designate other ambassadors (former players, junior players or other celebrities with whom the clubs may have a relationship).

The One Team ambassadors will be requested to participate in at least two or three of the One Team sessions and activities conducted by the club, in order to promote the programme.

All the One Team staff designated by each club (at least the One Team manager and two coaches) will have to attend the One Team Workshop that Euroleague Basketball organises every year. This workshop includes different sessions that will be delivered by experts in the sport for development field, to make sure that all participating
clubs can supply a proper programme that will help them create a real impact to benefit excluded people in their communities.

The clubs must submit their programme including a minimum of eight sessions to the Company at least one month before the programme starts.

The clubs also have to commit themselves to communication and branding guidelines [besides those mentioned in Articles 70.1.6, 70.2.1 d) and e), and 70.9.2. d)] such as having a specific One Team section on their websites or using the proper One Team branding in different media events. Specific information in this regard will be sent to all the participating clubs by the Company.

All clubs will implement the One Team associated measuring and evaluation process in accordance with the instructions of the Company.

74.8. Electronic Advertising System Exposure Time Report

74.8.1. Each home club must send the playlist 24 hours before each game, specifying the brands that are going to be displayed on all the electronic advertising platforms, the length of the videos in seconds and the times that the videos are scheduled to be played.

74.8.2. Within 48 hours after each home game, all clubs must provide the Company with a detailed report documenting the time of exposure received by each of the EuroLeague sponsors appearing on all their electronic advertising platforms. This report must include detailed period by period information regarding each game.

74.9. Exhibition of the EuroLeague Trophy

The EuroLeague champion will inform the Company of the trophy exhibitions well in advance. The Company may prohibit a specific exhibition for the sake of the image or commercial interests of the competition.
CHAPTER IX

Media Regulations

Article 75. Media Director

75.1. Each club will designate a person to be responsible for media relations and inform the Euroleague Basketball office of the name and contact details of this person. The media director of each club will also be responsible for maintaining all necessary contact with the Company’s Communication Department.

75.2. The media director must be able to communicate fluently in English.

75.3. Two days before each game, the media director of the visiting club must send a list of the media travelling to cover the away game.

75.4. The day after each game, the media directors of both clubs must send all articles published in the local press related to this game as well as a list of confirmed media in attendance of the game to the Euroleague Basketball office and to the opposing club by email (PDF format). At least once a week, the media director of the club must send, by email, articles published in the local press related to the EuroLeague and any important articles published in the local press about the club, other clubs or basketball in general. Likewise, the media director must help with translations into English for publication on the EuroLeague.net website.

Article 76. Arena Access for Media

The clubs must provide the media covering the game or event with accreditations and arena access totally free of charge. In the case that some type of payment might arise, the home club will be the one responsible for paying it directly to the arena management.

The Company will be entitled to submit a list of the media that must be granted accreditations and arena access totally free of charge. This list will be submitted to the home club 48 hours prior to the tip-off time of the game.

The clubs must send a complete list of all accredited media three hours prior to the tip-off time of the game to the Company’s Communications and TV and New Media Rights Departments, so that they are informed regarding the exact coverage of the game and can
agree with the clubs concerning the authorised coverage of the non-rights holders.

**Article 77. Photographers**

Space for photographers, which may include still or video cameras, will be provided behind the endlines at both ends of the playing court area, on the side of the basket support structures nearest to the team benches and behind the advertising boards.

Under no circumstances may photographers be located occupying the escape lanes.

Space for approximately two Company accredited photographers will be provided on the first level of the arena (medium height).

Company accredited photographers will have the right to install remote-control cameras to the basket support structures, below the centre-hung scoreboard and at other locations in the arena (subject to the photographers securing their own cameras).

The clubs will provide power supply and a DSL line for the Company accredited photographers. This line must be installed in close proximity to the playing court area, preferably in the back area of the photographers’ benches or seats. The power supply and internet connection must remain active and available until at least 1 hour and 30 minutes after the final buzzer.

The home club will accommodate the temporary installation of strobe lighting, which will be operated by remote control, for all the Company accredited photographers. The installation will consist of all necessary electronic cabling, so that when Company accredited photographers arrive on the day of the game they can install their portable strobe lights safely and easily.

The Company accredited photographers will be seated directly on the floor or on low chairs directly behind the advertising boards, without obstructing the spectators’ view of the playing court from courtside seats. The home club will create the necessary space for courtside seats and the photographers area.

For each game, before the end of the second period, the home club must send or make available to the media director of the visiting club at least five high-resolution game pictures for editorial purposes.
Article 78. Media Facilities

78.1. In-Arena Seating and Facilities

Seating for a minimum of 50 people will be provided within the lower level of the arena seating area, on one end, in an area contiguous with the playing court area and immediately adjacent to the entrance to the media work room. Should the Company’s Officiating Department nominate an observer for the game, they will have a seat reserved within the media in-arena seating area.

- The seats will be padded.
- A work surface will be placed in front of all media seats, which has adequate depth for the placement of high-resolution TV screens, laptop computers and work space. The height of the work surface will be approximately 90cm from the floor.
- There must be reasonable access behind the seats to allow unimpeded access.
- There will be clear mobile phone reception inside the arena.

78.3. Communication Facilities

The following minimum facilities for international communication will be available to the media in the media work room:

Each radio station will be responsible for requesting and paying the ISDN phone lines to each country's telecommunications company, and the media director will offer support in case of any problems.

78.4. Mixed Zone

A secure area of an approximate size of 50m² will be designated outside the team locker rooms, next to the entrance of the team locker rooms, as the mixed zone where the media can talk with the players and coaches, individually, following each game. This area will include the placement of backdrops provided by the Company pursuant to Article 74.3 b). Players must attend to the media in the mixed zone.

The media directors of both clubs will coordinate and ensure that all players and coaches interviewed by the IFPC or the visiting team rights holders in the mixed zone are placed in front of the backdrop.

85.2. Home Team

The 15-minute practice access will be open to all accredited media (local media and media from abroad) one day before each game. Practice access will take place during the first or the last 15 minutes of the practice. All players and the head coach will be available to the media for at least 15 minutes following the team practice. In the case that the home team practices during the morning and the afternoon, the practice open to the media must be in the afternoon, permitting coverage by the media who have travelled from abroad. If the home team decides not to practice the day before the game, the access to team practices for the media will be open the morning of the game day shoot around session.

85.3. Visiting Team

- **Home Practice.** The 15-minute practice access two days before each game will be open to the local media. Practice access will take place during the first or the last 15 minutes of practice. All players and the head coach will be available for the media during at least 15 minutes.

- **Away Practice.** The 15-minute practice access one day before each game will be open to all accredited media (local media and media from abroad). All players and the head coach will be
available for the media during at least 15 minutes. Practice access will take place during the first or the last 15 minutes of practice. The visiting team usually trains the day before the game at the scheduled tip-off time of the game. For this reason the Company recommends that practice access should take place during the first 15 minutes of the practice. If the visiting team decides not to practice the day before the game, the access to team practices for the media will be open the morning of the game day shoot around session.

The media director of the home club will send the transcription or audio file of the press conference in English to the following addresses: mediacommunications@euroleague.net; news@euroleague.net

Article 86. Recording, Reproducing and Sharing Limitations

86.1. It is completely forbidden for all accredited media, except rights holders, to record, reproduce and/or share on any platform any footage inside the arena from 30 minutes before the tip-off time of
the game until the end of the game. Any member of the media recording, reproducing and/or sharing on any platform footage recorded beyond the time limits stated above, will have their accreditation revoked for the rest of the event and the Company will evaluate revoking their accreditation for the rest of the season.

86.2. After the game, all accredited media will be allowed to record, reproduce and/or share non-live footage in the mixed zone, the press conference room and, if they have the corresponding accreditation, in the locker rooms.

86.3. The media director of the home club will be responsible for ensuring that these practices are conducted according to the regulations stated above.

Article 87. Access to Team Locker Rooms for the Media and Post-Game Press Conference

87.1. Five minutes after the final buzzer, the head coach or media director will announce to the accredited media that their team locker room is open. The team manager, media director or other official from each club will tell the players when the media are about to enter the locker room, and also if any women are among the accredited media. Then the locker room must be opened to properly accredited media, with local security thoroughly briefed to conform with the regulation and ensure accreditation enforcement.

The first five minutes after the locker room has been opened are reserved for the rights holders. Once these five minutes have expired, the rest of the media accredited with access to the locker room will be allowed to enter.

87.2. The locker room will remain open to the accredited media for a minimum of 15 minutes, and the players will have to attend to them during this entire period at least.

87.3. If space allows, all accredited media — and only accredited media — will be allowed to enter both locker rooms.

Due to, and only to, potential space problems, each club may decide before the season on a minimum number of accredited media — never less than 15 per locker room — to be given special locker room accreditations for each game. If the number does not meet the demand (16 or more accredited media want to enter locker rooms), the access will be awarded on a rotating game-to-game basis. Those not in the rotation for the locker room of the home team will be given accreditation to enter the locker room of the visiting team.
Locker room accreditations will be distributed equally to all media types, with at least the IFPC, the visiting team rights holders, the premium media partner, one major daily newspaper, and one radio station allowed in the locker rooms of the home and visiting team after each game. The EuroLeague.net correspondent of each club will always be included in the rotation. The Company will reserve the right to raise the minimum of 15 accredited media per locker room for certain games.

All visiting media approved by the media director of the visiting club will be given accreditation at least to the locker room of the visiting team, and also to that of the home team, if space allows.

All accredited media allowed to enter the locker rooms must follow the guidelines below:

- All media, except photographers, will only enter the locker room for interviews.

- All media, except photographers and rights holders that are not interviewing any player, will exit the locker room. The IFPC will be allowed to shoot footage inside the locker rooms without the obligation to interview players or head coaches.

- All footage shot inside the locker room must be starting from the waist upwards. No footage shot below the waist will be allowed.

The IFPC may also shoot footage of the teams’ arrival at the arena, their walk from the bus to the locker rooms and inside the locker rooms before the start of the game. The IFPC’s camera may shoot up to three minutes with all the players inside the locker room, without any interviews and always with the maximum respect for the players’ usual routine.

The press conference room will be located in proximity to the locker rooms and the media work room. A press conference with the head coach of the visiting team will begin within a maximum of 20 minutes following the final buzzer. Immediately following the conclusion of this a press conference with the head coach of the home team will start.

Throughout the entire season, the media directors of the clubs are free to bring a player that had an outstanding performance during the game to the post-game press conference to attend the local and international media requests.
It is recommended that the players of the home and visiting teams who attend the press conference wear the EuroLeague apparel and accessories (cap, headphones and others) that will be provided by the Company.

At all post-game press conferences, head coaches and players must begin their participation with an opening speech in English, followed by a second one in the local language if desired.

87.5. Without prejudice to the head coaches’ and players’ obligation to meet the media in the press conference room, mixed zone and locker rooms, the head coaches and players must also be available to talk to the IFPC and visiting team rights holders on the playing court, for flash interviews, immediately after each game.

87.6. The coordination work for the correct functioning of the press conference and locker room policy will fall upon the media director of each club.

87.7. The media director or a staff member of each club will accompany their head coach and players to the press conference and will be responsible for the translation from/into English of all questions and statements.

87.8. The media director of the home club will be responsible for the translation of all questions and statements from/into English and the official language of the home club's country.

87.9. A statement of post-game media access rules as provided by the Company will be posted, in English, on locker room doors and in the media work room of each arena before, during and after all games.

87.10. The post-game press conferences will be broadcast live on YouTube or on any other platform that is free and accessible for users internationally, as approved by the Company. The URL address of the press conference will be sent to the Company (by email to mediacommunication@euroleague.net, news@euroleague.net and socialmedia@euroleague.net) no later than two days before the game. The Company reserves the right to embed the press conferences on EuroLeague.net and on the website of the premium media partner from each territory.

88.8. The main and reserve uniforms of all the players must be available during all Media Day activities.

88.9. The clubs will reserve and fit out a room in their arenas, adequately lightened and sound isolated, for recording interviews. Inadequate recording environment may require the Media Day to be repeated or its location moved, both at the club’s expense.

88.10. The clubs must provide editorial content that the Company can record for its later use during the season.

88.11. All the interviews will be in English. In the case that the person interviewed cannot speak this language, the club will provide the transcript of the interview in English.

playing uniform of the EuroLeague and on a white background) no later than three days after the player arrives at the club. Besides these basic pictures, the Company will be entitled to request pictures, interviews and recordings to complement the pre-season Media Day contents.

89.1. The pre-Final Four Media Day will be held the following week of the last Playoffs game and at least 10 days before the Final Four week.

89.2. Once the eight Playoffs teams have qualified, the Company will request their proposal for dates to hold the pre-Final Four Media Day in order to know their calendar availability and facilitate the coordination and final schedule of the pre-Final Four Media Day programme, which will be confirmed by the Company once the four teams have qualified.

89.3. No changes in the pre-Final Four Media Day schedule will be made. If a club requests a date change after its pre-Final Four Media Day has been confirmed by the Company, this must in the first instance be approved by the Company, and then the club will cover all the additional expenses generated by the change.

89.4. The pre-Final Four Media Day will be held on the official playing court of the team. The Company will visit the arena the day before for its review.
89.5. The entire team and coaching staff will be available for five consecutive hours. In the case that a player is not needed by the Company, it will release him from attending the pre-Final Four Media Day.

**Game Clock**

**Event**

Callers manually call all actions clearly and loudly with a constant volume, speed and pitch. Callers will both have a pen and paper to use shorthand to annotate all actions they call. Callers will perform a player check at the start of every period, after time-outs and after free throws.

The data entry scorer will enter all actions called by the callers, watching the game action in order to see the location of all field goal attempts. The data entry scorer will confirm the correctness of each player check with the callers. Only those applications authorised by the Company's IT and Statistics Department can be running on the computer.

The backup will assist the caller when multiple actions occur in a short space of time as well as identifying the player to be charged with a foul drawn. Caller/backup 2 will use the Instant Replay Monitor to verify the correct call(s) at the next available opportunity following any action that is missed/unclear. Caller/backup 1 must check the Skype application frequently for any messages from the Company's IT and Statistics Department.

For any discrepancy the caller/backup 1 will inform the Company's IT and Statistics Department immediately via Skype, who in turn will inform the Company's Competition Department immediately. The Company's IT and Statistics Department will then inform the caller/backup 1 how to proceed.

The timer will assist the data entry scorer with all manual duties that are contained within the Official Basketball Rules:

- Notify a referee immediately when five fouls are charged against any player.
- Notify a referee immediately when a coach should be disqualified.
- Notify a referee immediately when a player has committed two technical fouls or two unsportsmanlike fouls.
- Notify a referee when a time-out opportunity exists after a team has requested one.
- Notify the coach through a referee when the coach has no more time-out(s) left in a half or extra period.
- Operate the alternating possession arrow.
- Effect substitutions.

The data entry scorer takes the scoresheet to the referees locker room and gives it to the Referee, who reviews the scoresheet before returning it to the data entry scorer.

**10. Post-Game Procedures**

If the Company’s IT and Statistics Department identifies that the scoresheet has not been recorded in accordance with the FIBA Official Basketball Statisticians’ Manual, the unified scorers will review the DVD recording of the game provided by the home club to correct the mistakes before re-sending the data immediately following the conclusion of the game.

For any discrepancy the backup will inform the Company’s IT and Statistics Department immediately via Skype, who in turn will inform the Company’s Competition Department immediately. The Company’s IT and Statistics Department will then inform the backup how to proceed; all subsequent timings are modified.

ii. Paid ticket packages/mini-plans, divided into premium seating and general seating;

iii. Group tickets, divided into premium seating and general seating;

iv. Paid single-game tickets sold for each game, divided into premium and other price categories;

Complimentary tickets do not include people who work at the games and who do not have tickets (such as players, coaches, medical staff, concessions workers, cleaners, ushers, security, etc). However, staff members that have tickets with assigned seats will be included.

b) On the official Euroleague Basketball Attendance Reporting Form, the same totals will be used. Item “v” above will also be based on an accurate count.

c) Separately from the numbers above, all clubs must take whatever steps are necessary to accurately and precisely count the number of attendees at each game (people who actually attend the game), through means of hand counting ticket stubs, implementing turnstile counters or bar code counters, or through such other means as the club desires as long as all entries are precisely counted and such count does not include people who are present at the game for the production of the event as described in a) v. above.
d) Below is an example of the Euroleague Basketball Attendance Reporting Form, which is available at the following link: https://events.euroleague.net/attendance/index.do

TEAM PRESENTATION
TEAM PRESENTATION

Example for a game that has a scheduled tip-off time of 20:45:00

Horn Sounds and Teams to Benches: 20:37:30 (00:07:30)

The Referee will blow his whistle and all players will go to their respective team bench area, ensuring that no one is standing on the court nor on the further boundary line.

Visiting Team Presentation: 20:38:00 (00:07:00)

The arena lights will be turned off and the visiting team will be presented.

All players will be announced by their number followed by their full name (name and surname), one at a time. As players are introduced, they will leave the bench and take their positions on the playing court, staying at the free-throw line and facing the centre of the playing court. The first player to be announced will stay at the position closest to the bench, while the last player announced will go to the position furthest away from the bench. After the presentation of all players of the team, the head coach will be announced while remaining in the team bench area.

Any team members who are not being announced will stay at the team bench or at the further boundary line, but will at no point step onto the playing court. Only announced players are allowed to step onto the playing court after they have been announced.

Home Team Presentation: 20:39:00 (00:06:00)

The arena lights will be still off and the home team will be presented.

All players will be announced by their number followed by their alias, one at a time, and following the order of the number of the players. If the club wishes to establish its own order, it must inform the Company for approval.

As players are introduced, they will leave the bench and take their positions on the playing court, staying at the free-throw line and facing the centre of the playing court. The first player to be announced will stay at the position closest to the bench, while the last player announced will go to the position furthest away from the bench. After the presentation of all players of the team, the head coach will be announced while remaining in the team bench area.

Any team members who are not being announced will stay at the team bench or at the further boundary line, but will at no point step onto the playing court. Only announced players are allowed to step onto the playing court after they have been announced.
Immediately after the presentation of both teams, the players will greet the opposing team before beginning the last warm-up period.

Last Warm-Up Period: 20:40:30 (00:04:30)

Teams to Bench Area: 20:42:00 (00:03:00)

After the last warm-up the teams will go to benches and the ball plinth must be entered on court and positioned as shown here.

Starting Fives and Referees Line-Up – ANTHEM: 20:43:30 (00:01:30)

The referees will call the starting fives on to the court, one team at a time. The players will line up along the imaginary line between both baskets, with the team captain standing closest to the centre circle area, and the other four players next to him, all facing away from the team benches. Each team captain will be holding a team ball. The referees will stand on the centre circle and the official game ball will stand on the plinth.

Once every person is in position, the 30-second EuroLeague anthem will be played. After the anthem, each team captain will exchange their team ball with the opponent’s team captain, and take the new ball to their team bench. All players and referees will shake hands. The Referee will take the official game ball from the plinth, the plinth will be taken out of the court and the players will line up for the opening jump ball.

Tip-Off: 20:45:00 (00:00:00)

MEDIATION REGULATION
APPENDIX IX

MEDIATION REGULATION

1. The purpose of the present Mediation Regulation is to set out a fast and informal procedure in which all concerned parties must attempt in good faith to negotiate with each other, with the assistance and mediation of the Euroleague Basketball CEO (hereinafter "CEO") and/or of a mediator appointed by him, with a view to settling amicably a dispute related to the hiring and transfer of a player or coach, or between a club and a player or coach related to the termination of an agreement. Any final settlement needs the agreement of all parties concerned. The present Regulation does not affect the procedure set forth by FIBA in its transfer regulations, which remains the only procedure with a binding outcome.

2. In the event of any dispute between clubs registered in the EuroLeague or the EuroCup arising out of or in connection with the hiring and transfer of one player or coach, or between a club and a player or coach related to the termination of an agreement, the clubs and the player or coach concerned must submit the matter to amicable settlement proceedings under the present Mediation Regulation prior to resorting to any other authority or mechanism of adjudication or settlement. Any other club not registered for the EuroLeague or the EuroCup may accept on a voluntary basis to submit to these amicable settlement proceedings. In the event of an established proceeding in the context of any internal regulations within a country, this domestic proceeding will take precedence and prevail over the present mediation proceeding.

3. Any party commencing mediation proceedings pursuant to this Regulation will send to the Euroleague Basketball office a written Request for Mediation, which will include:

   a) The names of the parties to the dispute and of the player or coach concerned, as well as the name, addresses, telephone and email addresses of attorneys or agents representing them, if any.
   b) A brief description of the dispute and of any relevant circumstances.
   c) A copy of any written agreement or contract upon which the requesting party relies.
   d) A copy of any other relevant document, and in particular of the denial of letter of clearance, if any.
The Company will promptly acknowledge receipt of the Request for Mediation and send a copy thereof to all parties concerned.

4. As soon as possible, the Company will consult orally or in writing with all concerned parties and establish the date for a mediation meeting and a short time limit for submission by each concerned party to the Euroleague Basketball office of a statement summarising the position on the dispute, including a description of all facts and points of law deemed relevant, and attaching any relevant document. The Company will promptly communicate copies thereof to all other parties.

5. The CEO may at any time appoint, revoke or replace a mediator of his choice, who will be his delegate and will assist him or substitute for him in performing any tasks under this Mediation Regulation.

6. In cases when a letter of clearance has already been denied by a national federation, the parties in dispute may submit petitions or appeals to the relevant FIBA bodies for the purpose of avoiding the expiry of any deadline provided by FIBA Regulations. At the same time, the parties in dispute must request the relevant FIBA bodies to suspend shortly the decision process due to the ongoing settlement negotiations between the concerned parties.

7. The CEO or the appointed mediator, with a view to keeping friendly relations between the parties:
   a) Will advance the mediation without any formality and as expeditiously and effectively as possible;
   b) Will facilitate discussion of the issues between the parties and promote the settlement of the dispute in any manner believed to be appropriate;
   c) May discretionally adopt any procedural resolutions, make any suggestions or propose any possible solutions;
   d) May discretionally talk or meet with all parties jointly, or separately with one or some of the parties or with any third parties;
   e) May not impose a binding settlement or solution of the dispute.

8. Each party will take part in the mediation proceedings and negotiate with any other party in good faith and with the utmost fairness and sportsmanship. Each party will cooperate in good faith with the CEO and with any appointed mediator and will behave so as to facilitate and
expedite the performance of the CEO’s mandate. In particular, each party must attend any meeting called by the CEO or the appointed mediator, sending a representative empowered to sign a settlement agreement. The mediator and the parties will use their best efforts to terminate the mediation proceedings within 10 days, with or without a settlement.

9. The mediation proceedings will be confidential. However, Euroleague Basketball will hold an updated list of active disputes available, upon request, to clubs, players or coaches registered in the EuroLeague and EuroCup competitions; then, in the case that a settlement is reached, a short press release agreed between all the parties and the CEO may be issued. The CEO and any staff of the Company, the mediator, the parties, their representatives and advisers, experts and any other persons present during the meetings between the parties may not disclose to any third party any information given to them during the mediation, unless required by law to do so. The parties will not compel the mediator to divulge records, reports or other documents, or to testify in regard to the mediation in any arbitral or judicial or other proceedings. The parties will not rely on, nor introduce as evidence in any sports proceedings or any arbitral or judicial or other proceedings:

   a) Views expressed or suggestions made by a party with respect to a possible settlement of the dispute;
   b) Admissions made by a party in the course of the mediation proceedings;
   c) Proposals made or views expressed by the CEO or by the appointed mediator;
   d) The fact that a party had or had not indicated willingness to accept a proposal.

10. The parties have always the right to insist on their positions and to declare that they are not willing to accept a settlement agreement; however, they may not withdraw unilaterally from the mediation proceedings. The mediation proceedings will be terminated:

   a) By the signing of a settlement agreement by the parties concerned;
   b) By a written communication to the parties by the CEO or the appointed mediator to the effect that further efforts at mediation are no longer worthwhile;
   c) By the expiry of any deadline set by the CEO or the appointed mediator for the attainment or signature of a settlement agreement.
Upon termination of the mediation proceedings in accordance with b) and c) above, any party to the dispute will have the right to proceed with any available adjudication or settlement proceedings at FIBA or elsewhere.

11. The settlement agreement is drawn up by, or under the supervision of, the CEO or the appointed mediator and signed by him and the parties in as many copies as needed. One signed copy of the settlement agreement will be kept at the Euroleague Basketball office and each party will receive a signed copy thereof. In the event of any breach of the settlement agreement, a party may rely on this copy before any arbitral, judicial or other authority, in addition to any penalty to be imposed to the breaching party.

12. At any time, the CEO or the appointed mediator may issue a statement informing the Disciplinary Judge of any past or present conduct that, in his opinion, is in breach of the present Mediation Regulation or of any other regulation, rule or agreement or that, in any way, runs counter to sportsmanship, good faith or fair dealing principles. The Disciplinary Judge may impose to any club or player or coach an appropriate sanction in accordance with the applicable Disciplinary Code. The refusal to take part in the mediation proceedings and the breach of the settlement agreement will always be considered as serious infringements.

13. The mediation proceedings will be free. Each party will pay their own costs.

EUROLEAGUE BASKETBALL DISCIPLINARY CODE
EUROLEAGUE BASKETBALL DISCIPLINARY CODE

CHAPTER I

GENERAL RULES

Article 1. Object

This Disciplinary Code (the “Code”) describes the infringements and sanctions of the rules contained herein and in the EuroLeague Regulations, EuroCup Regulations and EuroLeague Club Licensing Rules, the organisation and respective powers of the hearing bodies, and the procedures to be followed for imposing measures in connection with events held under the auspices of Euroleague Commercial Assets S.A., Euroleague Properties S.A. and Euroleague Entertainment & Services, S.L.U. (jointly and severally referred to as the “Companies”).

This set of rules seeks to gather together the numerous and differing strands of an adjudicatory process into one single cohesive and coherent manual that reflects good practice and provides a guide and framework for implementation at all levels of Euroleague Basketball. It promotes high standards of behaviour and fair play for all parties involved in the Euroleague Basketball competitions as well as in other events organised under the auspices of the Companies (jointly referred to as the “Euroleague Basketball competitions”) and consistent, fair and transparent process for dealing with the proceedings provided under this Code.

Article 2. Substantive Law

The exercise of the adjudicatory system is governed by the provisions established in the articles hereof, the Bylaws and all additional provisions that, in the absence of the above, might be determined by the hearing bodies on the basis of recognised legal principles and in accordance with justice and fairness.

Article 3. Scope of Application

The disciplinary power under this Code is exercised on behalf of Euroleague Properties S.A. (hereinafter “EP”) and extends to all those persons or entities that make up the organisational structure of EP: the clubs and any persons linked directly or indirectly to them (these persons are hereinafter referred to as “Individuals”) such as their representatives, administrators, managers, executives, players, coaches, team followers, honorary members, and any other persons or entities carrying out official functions or undertaking technical or sports activities on their behalf or within the organisational scope of the Companies.
A sanction may also be imposed on clubs for infringements arising from or related to the Individuals’ or spectators’ behaviour.

Those who commit an infringement are those who directly or indirectly carry out the infringement, those who force or induce somebody else to commit it or those who cooperate in its execution.

The material scope of the disciplinary powers extends to:

3.1. Infringements of the regulations regarding the management and administration of the competition as stipulated in the EuroLeague Regulations, in the EuroCup Regulations, in the EuroLeague Club Licensing Rules, in this Code (Chapter II, Section I) or in any other resolution or provision originating from the General Assembly or the governing bodies of the Companies.

3.2. Infringements of the rules of the game or the Euroleague Basketball competitions or infringements contained in this Code (Chapter II, Section II) or in any other agreements, resolutions or regulations determined by the General Assembly, i.e., the actions or omissions that, during the course of the game or competition, affect, impede or disturb its normal process and are committed on the occasion of or as a result of the games or all those events or games of friendly nature organised by EP and/or any other of the Companies.

It similarly extends to infringements committed before or after the game. In this case, the sanctions that will be applied will be the same as those established for this type of infringement in the course of the game (Chapter II, Section II of this Code).

3.3. Infringements of the Financial Stability and Fair Play Regulations or infringements contained in this Code (Chapter II, Section III) or in any other resolutions or provisions determined by the relevant bodies as established in this Code.

Article 4. Hearing Bodies

The disciplinary powers of EP are the responsibility of the following hearing bodies: the Euroleague Basketball CEO, the Disciplinary Judge, the Appeals Judge, the Appeals Panel, the Management Control Commission and the Finance Panel. The hearing bodies have full power and jurisdiction to act in relation to all matters listed in this Code, including the power to hold investigations and impose sanctions, or take those actions that they see fit by following the procedures set out herein.

The General Assembly will designate a Disciplinary Judge, an Appeals Panel — which will serve as Finance Panel — and an Appeals Judge — who will serve as
President of the Appeals Panel and the Finance Panel when appropriate — all of whom will have legal training. The Finance Panel may be assisted by economic advice. The position of Disciplinary Judge, Appeals Judge or member of the Appeals Panel is incompatible with any position or office related to the Companies or the participating clubs.

The hearing bodies are independent and must exclusively observe the applicable rules and regulations, as well as act in accordance with what they deem to be fair and right.

**Article 5. Duties of Clubs**

The clubs are responsible for complying with the agreements, resolutions and regulations referred to in Articles 2 and 3 above, and for ensuring the exemplary behaviour of their Individuals and fans during the Euroleague Basketball competitions.

The home club will be responsible for the security and order in its arena and its surroundings before, during and after games. It will be responsible for any incident of whatever nature that falls within its responsibility under Article 3 above, and will be subject to the corresponding sanction.

The home club cannot take advantage of irregular or improper situations where the responsibility for preventing such situations falls on the home club.

The clubs are responsible for the behaviour of their own fans committing incidents of whatever nature during the Euroleague Basketball competitions.

**Article 6. Referees Decisions**

Referees’ decisions connected with play situations are final as far as the result of the game is concerned, and cannot be contested or disregarded.

**Article 7. Disciplinary Measures: Sanctions**

The sanctions that may be imposed in accordance with this Code for the infringements herein provided are as follows:

7.1. To Individuals:

   a) Warning.

   b) Fine.

   c) Temporary or permanent prohibited access to the arenas.
d) Temporary or permanent disqualification from the competition.

e) Temporary or permanent disqualification from holding a position in the governing bodies of the Companies.

7.2. To clubs:

a) Warning.

b) Fine.

c) Replay of the game either in the same arena as the original game, in a neutral arena or behind closed doors.

d) Games played behind closed doors.

e) Temporary total or partial closure of the arena.

f) Loss of the game and, when applicable, the playoff or two-game total point series.

g) Points or victories discounted from the team's standing.

h) Temporary loss of the economic and political rights.

i) Permanent or temporary disqualification from the competition up to a maximum of three consecutive seasons, with the corresponding loss of rights.

j) Prohibition of registering new players.

Article 8. Suspended Sanctions on Probation

Disciplinary sanctions imposed under the material scope of Article 3.1 may be suspended totally or partially by the Euroleague Basketball CEO. Disciplinary sanctions imposed under the material scope of Article 3.2 may be suspended totally or partially by the Disciplinary Judge at the request of the Euroleague Basketball CEO. Disciplinary sanctions imposed under the material scope of Article 3.3 may be suspended totally or partially with the approval of the General Assembly. The suspension period will last a maximum of three years in all cases.

If another infringement is committed during the suspension period, the Euroleague Basketball CEO may reinstate the original sanction to be executed, which in turn may also be added to the disciplinary sanction imposed for the second infringement.
Article 9. Specific Provision about Disqualification

The sanction of disqualification for a certain number of games or a specific period of time will imply a prohibition of lining up, participating or being present in the arena on the occasion of as many games following the date of the infringement as the sanction may cover, in the order in which they are held, irrespective of any changes in the competition calendar or suspended or postponed games. An Individual having been disqualified is strictly prohibited from sitting in the team bench area during the games they have been suspended for.

The first game in which the sanction will be applied will be the one immediately following the notification of the ruling unless the sanction is suspended by the hearing bodies.

If a suspended Individual should fail to fulfil the sanction in the same season, this Individual will have to fulfil the sanction in the following season(s).

If the Individual changes club, assuming that the appropriate conditions exist for such a transfer, all games or periods of time under disqualification will remain pending and will be fulfilled according to the terms contained in this article. Sanctions of disqualification will be enforced not only for the position for which they were applied, but also for carrying out any other activity related to the Euroleague Basketball competitions.

If the sanction is imposed on a club, the club may not register in the Euroleague Basketball competitions for the entire sanction period.

Article 10. Specific Provision about Economic Sanctions

Economic sanctions must be paid to EP within 30 days following notification of the ruling.

Should economic sanctions not be paid within the time indicated, EP may retain a part of the economic rights of the club concerned to cover the corresponding sum or execute the bank guarantee or security deposit in the course of the competition. In the latter case, the club must, within three working days following the date of execution, replace the bank guarantee or security deposit with EP for the amount established for the competition in which it is participating (if the full amount of the bank guarantee or security deposit has been executed), or complete the bank guarantee or security deposit with the executed amount (so that the full amount thereof is available).

Besides any economic sanctions, the compensation for any damages caused as a consequence of the infringement committed will be at the expense of the infringing club.
Article 11. Liability in Solidum

The clubs are always jointly responsible (liability in solidum) for economic sanctions, either main or accessory, imposed on any of their Individuals.

Article 12. Specific Provision about Closure of the Arena

A sanction closing an arena implies the prohibition to use it by the sanctioned club during the number of games that this sanction stipulates.

The minimum distance of the arena(s) where the game(s) to which the sanction applies may be held, with respect to the city of the arena that is the object of a sanction, will be 300km by road taking the shortest route possible.

Depending on the circumstances involved in each case, the Euroleague Basketball CEO, at the request of the club after the sanction has become final, may (i) grant a special authorisation for a shorter distance; or (ii) substitute the sanction of closure of the arena for that of playing behind closed doors without spectators or vice versa.

In case of incidents originated in a specific seating section of the arena, the hearing bodies may apply a sanction closing the relevant area of the arena, thus entailing the prohibition of using that seating section. The club will be responsible for preventing the fans who were sitting in that seating section during the game in which the incidents above took place from entering other areas of the arena during the sanction period.

Article 13. Time and Effects of Sanctions

Sanctions imposed through the corresponding proceedings will be enforced immediately without the possibility of these sanctions being detained or suspended by any claims or appeals, unless the body empowered to resolve the appeal should decide to do so upon a provisional basis, ex officio or at the request of the party concerned in the written petition of the appeal.

Sanctions established after the commitment of a given infringement may not be applied retroactively. Notwithstanding, this Code has a retroactive effect only when it favours the infringing party, provided that the sanction has already been imposed but still has not been fulfilled at the time of the publication of this Code.

Article 14. Setting of Sanctions

In setting sanctions, account will be taken of the objective and subjective elements constituting the infringement, and also the damage that the penalised conduct entails for the image of the Euroleague Basketball competitions and/or
the Companies, the other clubs and the sport of basketball in general. In the same way, the hearing bodies may evaluate any ancillary, aggravating and/or extenuating circumstances that might be related to the infringement.

When there are no extenuating or aggravating circumstances, the hearing bodies, bearing in mind the greater or lesser seriousness of the action, will impose the sanction to the degree they deem appropriate.

When there are both extenuating and aggravating circumstances, they will be counterbalanced reasonably, depending on their characteristics, to determine the corresponding sanction.

In all cases, within the limits established, it is the responsibility of the hearing bodies to determine the sanction that has to be imposed in each case, taking into account the seriousness of the facts and other related circumstances and applying the principle of proportionality.

When applying fines, the hearing bodies at their own discretion will set the amount between the minimum and maximum limits established for each case, taking into account the related facts and circumstances and applying the principle of proportionality. In the event that extenuating factors and circumstances apply in case of serious infringements, the hearing bodies may set the amount below the minimum limits established.

**Article 15. Exculpatory Circumstances**

Exculpatory circumstances include fortuitous events, force majeure and legitimate self-defence to avoid aggression.

**Article 16. Extenuating Factors and Circumstances**

Extenuating factors include:

a) Not having been previously sanctioned.

b) Having proceeded, by spontaneous remorse, to repair or reduce the effects of the infringement, in order to satisfy the offended party or confess to the hearing bodies immediately after the infringement.

Extenuating circumstances include:

a) Those mentioned in the previous article when not all requirements necessary to assess them are available.

b) Having been sufficiently provoked immediately before the infringement.
Article 17. **Aggravating Factors and Circumstances**

Aggravating factors include:

a) Recidivism. There is recidivism when the offender has previously been sanctioned during the current season or in the course of the three previous seasons for the same infringement.

b) Recursion. There is recursion when the offender has previously been sanctioned during the current season or in the course of the three previous seasons for a similar or related infringement.

Aggravating circumstances include:

a) Cheating or fraudulent behaviour.

b) Any economic damage caused.

c) Illicit use of authority.

d) Not complying immediately with the decisions of the referees or the Companies' executives when such decisions are made in the exercise of their functions.

e) Infringements, when they are committed by any person with managerial positions in the club.

Article 18. **Multiple Sanctions**

In no case may two sanctions be imposed at the same time for the same action, except when one of them is a fine that may be imposed in conjunction with any other sanction.

Article 19. **Concurrent Infringements**

If two or more infringements were to be derived from the same action, or were anyway committed jointly, the sanction that will be applied will be the one corresponding to the most serious infringement.

Article 20. **Expiration of Disciplinary Duties**

Causes of termination of duty include:
a) Fulfilment of the sanction  
b) Expiry of the infringements  
c) Expiry of the sanctions  
d) Death of the person held responsible  
e) Foreclosure or dissolution of the sanctioned club  
f) Amnesty granted by the Euroleague Basketball CEO

**Article 21. Statutes of Limitations**

Minor infringements will expire after one year, serious infringements and infringements related to the Financial Stability and Fair Play Regulations will expire after three years, and doping infringements after eight years. These periods will be counted from the day following the date of the infringement.

The expiry period will be interrupted when the proceeding is initiated, but if this proceeding were to be stopped for two months by a cause not attributable to the person or entity subject thereto, the corresponding expiry period will continue from the point at which it was interrupted. The expiry period will be interrupted again when the procedure resumes.

These statutes of limitations do not apply to those cases handled under the proceedings established in Chapter II (Section II of this Code).

**Article 22. Expiry of Sanctions**

Sanctions will expire after three years except those stipulated for doping infringements, which expire after eight years. The expiry period will be counted from the day following the one on which the sanctioning resolution becomes final, or from the time when the fulfilment of a sanction already in force is breached, if such fulfilment had already begun.

**Article 23. Honouring of Sanctions**

The non-compliance with an imposed sanction or provisional or conservatory measure adopted by the Euroleague Basketball CEO, the Disciplinary Judge, the Appeals Judge, the Appeals Panel, the Management Control Commission or the Finance Panel will be considered an additional infringement and penalised by the Euroleague Basketball CEO through a fine of 30,001 euros to 280,000 euros.

In the latter case, the existing result will be maintained. In a playoff or two-game total point series, the automatic loss will also entail the loss of the series.

In the event that both teams refuse to participate, the game will be considered as cancelled to all effects, without prejudice to the corresponding sanctions set forth in the present article. In a playoff or two-game total point series, both teams will be eliminated from the competition.

31.3. In addition to the automatic loss awarded under Article 31.1 or 31.2, the hearing body may also impose a fine from 100,000 euros to 200,000 euros.

31.4. In the case that an infringement of Article 31.1 or 31.2 is repeated (recidivism), the applicable sanction against the infringing club will be the disqualification from the competition for up to a maximum of three consecutive seasons, with the corresponding loss of rights, and the ancillary sanction imposed will be a fine from 200,001 euros up to 300,000 euros.
SECTION III: INFRINGEMENTS AND SANCTIONS RELATED TO THE FINANCIAL STABILITY AND FAIR PLAY REGULATIONS

Article 32. Types of Infringements

CHAPTER III

DOPING INFRINGEMENTS AND SANCTIONS

Article 34. Applicable Regulations

All anti-doping violations are those specified in the FIBA Internal Regulations governing Anti-Doping.

All anti-doping violations and sanctions fall under the jurisdiction, rules and procedures of FIBA.

CHAPTER IV

PROCEEDINGS

SECTION I: GENERAL PROVISIONS

The proceedings stipulated in this Code are governed by the rules of this chapter.

The parties must use English as the language for communication. As such, the costs of any necessary translations will be the responsibility of the party concerned. The members of the hearing bodies may call for the use of interpreters.

Article 36. Right of Intervention and Representation

Any person or entity whose rights or interests may be affected by the opening of a proceeding, or a club in a proceeding involving one of its Individuals, may request to intervene in the proceeding. They must file an application to this effect with the Euroleague Basketball office, adjoining an explanation concerning the relevant reasons, immediately after the proceeding has come to their knowledge. This application must be submitted prior to the hearing, or prior to the closing of the evidentiary proceedings if no hearing is held. The hearing body will send a copy of this application to the parties involved and fix a time limit for them to express their position on the participation of the third party and to file, to the extent
applicable, written observations. Then, the hearing body dealing with the case will
decide whether the applicant has the right to participate in the proceedings as a
party. If such a right is granted, from that moment on, this third party will have the
condition of party concerned to the effects of notifications, arguments in defence,
allegations, proposals, sifting of evidence and right of appeal.

Article 37. Provisional Measures

If an infringement appears to have been committed and a decision on the main
issue cannot be made in an expeditious manner, the hearing body may, in
emergency situations, provisionally issue, alter or revoke a sanction. In
provisionally issuing a sanction, the hearing body is entitled to consider the
extenuating and aggravating factors and circumstances of Articles 16 and 17. In
similar circumstances, the hearing body may take other provisional measures at
its sole discretion, especially to ensure compliance with a sanction already in
force. The hearing body will take action upon request or ex officio. The hearing
body may provide the operative part of the decision.

Once the proceeding has been initiated and at any time therein, the hearing body
empowered to commence it may adopt the provisional or conservatory measures
it deems appropriate, in order to maintain the orderly legal procedures and to
ensure the effectiveness of the ruling that will be issued. If the circumstances so
dictate, the hearing body may decide to hear the parties.

A provisional or conservatory measure can apply for up to 30 days and its
duration will be deducted from the final sanction. The hearing body may,
exceptionally, extend the validity period of a provisional or conservatory measure
for up to 10 days.

Article 38. Imposing Sanctions

Sanctions may only be imposed by virtue of a proceeding opened to that effect in
accordance with the provisions established in this Chapter IV. If, once a
proceeding has been initiated, the offender recognises their responsibility, the
proceeding may be resolved with the imposing of the corresponding sanction.

Sanctions imposed through the proceedings will be enforced immediately.

Disciplinary decisions are final and not subject to appeal, except for decisions of
the Disciplinary Judge and the Appeals Judge — or the Appeals Panel when
appropriate. However, a ruling made following exceptional proceedings under
Article 48 will not be subject to appeal under any circumstances.
Article 39. Notifications of the Decisions

All decisions and rulings issued in proceedings affecting the parties concerned therein will be notified to them in the shortest possible time by email.

Notifications must contain the whole text of the ruling with the indication of whether or not it is final, a reference to the possible appeal, the body to which it would be necessary to submit the appeal, and the corresponding deadline.

Rulings that involve Individuals will be sent to the clubs concerned by email.

A party may request that a decision or ruling remain confidential. However, the Companies have sole and final discretion whether they decide to publish a decision or ruling in full, its operative part, and/or a summary or a press release setting forth the results of the proceedings.

Article 40. Costs of the Proceedings

The costs of the proceedings filed with the Euroleague Basketball CEO are responsibility of EP.

The costs of the proceedings filed with the Disciplinary Judge will generally be the responsibility of EP, except for the proceedings initiated at the request of the party concerned. If it is the latter case, the fee for the right to protest or file a complaint may be deducted from the costs of the proceedings or even refunded.

The costs of the proceedings in the second instance filed with the Appeals Judge or Appeals Panel must be divided fairly between the parties to the proceeding depending on the result. The fee for the right to appeal may be deducted from the costs of the proceedings or even refunded.

The costs of the proceedings filed with the Finance Panel must be divided fairly between the parties to the proceeding depending on the result.

SECTION II: PROCEDURES

SUBSECTION I: Procedures for minor and serious infringements under the material scope of Article 3.1

Article 41. Jurisdiction Based on the Type of Infringement

41.1. Minor Infringements: Sanctions resolved for acts regarded as minor infringements under the material scope of Article 3.1 will be imposed by the Euroleague Basketball CEO in accordance with the procedure established in Article 44.
41.2. **Serious Infringements:** Sanctions resolved for acts regarded as serious infringements under the material scope of Article 3.1 will be imposed by the Disciplinary Judge in accordance with the procedure established in Article 45 and, in the case of appeals, by the Appeals Judge or — where appropriate — the Appeals Panel.

**Article 42. Commencement of Proceedings**

In opening proceedings upon receiving the allegations or being informed of an alleged infringement, the Euroleague Basketball CEO may resolve to have evidence collected before ordering the commencement of proceedings or the closure of the case.

Orders to conclude proceedings must include the grounds that justify them and the corresponding decisions with reference to any accusers involved.

**Article 43. Examining Official**

The Euroleague Basketball CEO will commence the proceedings by appointing the Examining Official that will be in charge of them.

The Examining Official will draw up a case report on the evidence, deciding whether the alleged infringement is minor or serious, and the procedure to be followed.

**Article 44. Procedure for Minor Infringements**

44.1. If the Examining Official considers that the case constitutes a minor infringement, the party concerned will be informed of the opening of a proceeding, the alleged infringement, the articles allegedly breached, the articles to be applied, and any sanction that may be imposed.

44.2. The party concerned will be entitled, within a period of 72 hours from receipt of the notification, to make any appropriate arguments in defence, adjoining any pertinent evidence in support of them. After this period the Examining Official will not admit any further arguments in defence other than those specially requested by him or her, and the examining procedure will then be regarded as completed.

44.3. When the corresponding arguments in defence have been made, or the time allowed for them has elapsed, the Examining Official will make a report on the case to the Euroleague Basketball CEO, who will then make the decision that brings the proceeding to a close.
The decision will contain an account of the facts of the infringement, the corresponding articles and the sanction imposed. It must be sent in writing to the parties concerned, directly or through the club to which the person concerned belongs.

44.4. Before making a decision, the Euroleague Basketball CEO may issue a resolution requiring and explaining further proceedings deemed essential for the purposes of reaching a decision; the parties concerned will be notified of this and granted 48 hours to present their arguments in defence.

44.5. The decisions for minor infringements sanctioned according to Article 25.2 a) or 25.2 b), which are made by the Euroleague Basketball CEO, are final and not subject to appeal.

Article 45. Procedure for Serious Infringements

45.1. If the Examining Official considers that the case constitutes a serious infringement, the party concerned and the Disciplinary Judge must be informed of the opening of a proceeding with an account of the facts, the corresponding circumstances, the alleged infringement(s), the articles allegedly breached and the articles to be applied.

45.2. After this proceeding has been opened, the Disciplinary Judge may explain and order ex officio any provisional measures deemed necessary.

45.3. The Disciplinary Judge may order any enquiries deemed conducive for clarifying the issue, requesting, if appropriate, any reports or collection of evidence required for determining the infringements liable to sanction; the parties concerned may propose the collection of further evidence or submit directly any evidence of interest for deciding the case within four calendar days from the notification mentioned in Article 45.1.

The Disciplinary Judge may admit or reject any evidence deemed pertinent through a resolution stating the grounds of admission or refusal thereof. If the Disciplinary Judge deems, at his sole discretion, that a hearing of the admitted evidence is required, he will order this to be held within three days, notifying the parties concerned, well beforehand, of the place, date and time for the hearing.

The Disciplinary Judge is entitled to decide to extend when necessary the period set for handling the case.
45.4. In light of the proceeding undertaken, the Disciplinary Judge will rule on the immediate dismissal of the case or continue the proceeding. The defendant will then have three calendar days to present arguments in defence.

In the event that the Disciplinary Judge considers that the infringement is minor, he will remit the proceeding to the Examining Official, so that the Examining Official continues with the proceeding and requests that the parties make any appropriate arguments in defence.

45.5. When arguments in defence in response to the writ have been submitted, or when the time for presenting them has expired, the Disciplinary Judge may issue a resolution requiring and explaining further proceedings deemed essential for the purposes of making a decision, or will issue the decision that brings the proceeding to a close. The decision, which will contain an account of the facts of the infringement, the articles applying to it and the sanction resolved, will be sent in writing to the parties concerned, directly or through the corresponding club.

**SUBSECTION II: Procedures for all infringements under the material scope of Article 3.2**

**Article 46. Jurisdiction**

Infringements within the material scope of Article 3.2 will be heard and resolved by the Disciplinary Judge in accordance with the ordinary proceeding set forth in Article 47, and in exceptional circumstances, Article 48. In the case of appeals, when established, such infringements will be heard and resolved by the Appeals Judge or — where appropriate — the Appeals Panel.

**Article 47. Ordinary Proceedings**

47.1. The ordinary proceedings will be initiated by the Disciplinary Judge in the following cases:

a) Ex officio: automatically from the incidents mentioned on the scoresheet of the game and the complementary reports of the officiating crew; or at the request of the Euroleague Basketball CEO, who notifies the Disciplinary Judge and the party concerned of a supposed infringement committed during the game.

b) Under protest pursuant to Article 49 of this Code.
c) At the request of any party concerned regarding an incident not reflected on the scoresheet; any such complaint must be sent to the Euroleague Basketball office and include any relevant facts as well as the proof of payment of a fee of 300 euros to EP for the right to protest.

47.2. The scoresheet of the game, all the complementary reports, complaints, arguments in defence and/or the complete text of the protest must be sent to the Disciplinary Judge within 48 hours following the end of the game.

47.3. The Disciplinary Judge will also accept the arguments in defence, allegations, reports and evidence provided by the parties concerned regarding any incident or anomaly concerning or related to a game or competition, provided that they are presented within 48 hours following the end of the game.

47.4. After this period of time, the Disciplinary Judge will accept no further reports, complaints, arguments in defence, allegations, or evidence other than those he may expressly request.

47.5. The Disciplinary Judge will make a summary examination of the facts necessarily bearing in mind the scoresheet of the game, the complementary reports of the officiating crew, and, if necessary, of the Euroleague Basketball delegate(s) at the game, the allegations or arguments in defence of the parties concerned and any other evidence he might deem valid.

47.6. The presumption of truthfulness will be applied to the scoresheet of the game, together with any complementary reports of the officiating crew and the Euroleague Basketball delegate(s) at the game, though these documents can be contested by any means of evidence admitted by law.

47.7. Any other evidence available will also be admissible, including, but not limited to, videos, DVDs, films, pictures or any other audiovisual formats. The Disciplinary Judge has full freedom in assessing and evaluating all evidence provided. For this purpose, he may carry out as many actions as necessary for examining the facts.

47.8. The hearing stage will be considered initiated with the submission of the scoresheet of the game or the complaint to the club or the party concerned within the time established in Article 47.3.

47.9. If any of the reports referred to in the previous Article 47.3 and Article 47.4 are involved, the Disciplinary Judge, before issuing judgment, must pass the content thereof to the parties concerned so that they make any arguments in defence they consider appropriate within 24 hours following the receipt of the notification.
47.10. Likewise, before issuing a ruling, the Disciplinary Judge may reasonably decide to carry out complementary actions essential for resolving the proceeding, informing the parties concerned that they will have a period of 24 hours to present their arguments in defence against these complementary actions.

47.11. The Disciplinary Judge will make the ruling within seven days from the time he considers that the exchange of communications is complete.

47.12. In the ruling, the Disciplinary Judge will record the fact constituting the infringement, the articles of application and the imposed sanction. The ruling will be notified in writing to the parties concerned either directly or through the club to which the sanctioned person belongs, indicating any possible appeal against the ruling, as well as the bodies and time periods for such an appeal.

Article 48. Exceptional Proceedings

If a game is to be played less than 72 hours following the game whose facts caused the opening of a proceeding, the exceptional proceedings will follow the procedure for the general proceedings, except for the following:

a) For the games above, the ruling will be made in the first and only instance by the Disciplinary Judge, and will not be subject to appeal.

b) The time periods established in Articles 47.2 and 47.3 will be reduced to 90 minutes following the end of the game.

c) The time periods established in Article 47.9 will be reduced to 12 hours.

d) The Disciplinary Judge will make his ruling as promptly as possible, always within 24 hours following the end of the game.

Article 49. Signing of the Scoresheet

Without prejudice to Article 6, the team captain may sign the official scoresheet of a game in protest of an event that took place during the game that in the opinion of the club may have adversely affected the result of the game and therefore the interests of the club. The procedure for the protest will be as follows:

In order to be valid, a protest must:

a) be made during the first dead ball following the decision or incident that is the reason for the protest or at the end of the game before the officiating
crew chief signs the scoresheet when the protest is regarding an incident that occurred in the last game action.

b) be signed in the space provided on the scoresheet. Detailed explanations are not necessary. It is sufficient that the club, identifying itself correctly, explains briefly that the protest is against the result of the game or against an event that took place during the game. The club must present the full text of its protest within 48 hours following the end of the game, including the proof of payment of 300 euros to EP for the right of protest. A proceeding will be opened. This proceeding will be conducted in accordance with Article 47.

If another game is to be played less than 72 hours following one in which the scoresheet has been signed under protest, the club must present the full text of its protest within 90 minutes following the end of the game in which the scoresheet has been signed under protest. This proceeding will be conducted in accordance with the Exceptional Proceedings established in Article 48.

**SUBSECTION III: Game-Related Situations**

**Article 50. Anomalies between the Result of a Game and the Scoresheet**

When the officiating crew chief’s report or any complementary report shows (i) that the score registered on the scoresheet is abnormal or incorrect or (ii) that the officiating could not be carried out without coercion, due to the threatening attitude of the spectators or other circumstances that created concern for the physical well-being of the referees, the Disciplinary Judge will determine whether the game should be replayed totally or partially, and under what conditions, as well as any compensation that may follow, or whether one team loses the game by the result of zero to twenty (0-20) and, when applicable, the playoff or two-game total point series, without prejudice to the sanctions that might apply.

The procedure applicable to anomalies between the result of the game and the scoresheet will be that of Article 47, or if the circumstances so warrant, Article 48.

**Article 51. Suspension of the Game**

For all instances when a game is suspended under Articles 33 to 36 of the EuroLeague Regulations or Articles 30 to 33 of the EuroCup Regulations, the Disciplinary Judge will decide at their own discretion whether the game should be replayed totally or partially, and under what conditions, or whether the result remains as it was at the moment of the suspension or whether one of the teams loses by the result of zero to twenty (0-20). In addition, the Disciplinary Judge may decide on any applicable compensation, without prejudice to sanctions or
any other appropriate measure that might apply. The procedure applicable to this article will be that of Article 47, or if the circumstances so warrant, Article 48.

**SUBSECTION IV: Procedures for all infringements under the material scope of Article 3.3**

**Article 52. Jurisdiction**

Infringements within the material scope of Article 3.3 will be heard and resolved by the Management Control Commission and the Finance Panel pursuant to the provisions set forth in the following articles.

**Article 53. Monitoring Proceeding**

53.1. The Management Control Commission, as a consequence of its duties, may open a monitoring proceeding, upon request or ex officio, regarding the financial position of a club. For this purpose it may collect all relevant evidence from the club.

The club may provide any type of evidence to support its case. In principle no hearings are held. Upon written request from the parties concerned, the Management Control Commission may decide to hold a hearing with oral arguments at the place that it will determine. All costs derived from this hearing will be covered by the requesting party.

53.2. After all evidence has been collected, the Management Control Commission will assess the entire proceeding and may:

a) dismiss the case;

b) conclude, with the consent of the club, a settlement agreement, which will include the application of disciplinary measures limited to a warning or a fine of up to a maximum amount of 100,000 euros;

c) refer the case to the Finance Panel.

The decision of the Management Control Commission will be notified to the club in writing.

**Article 54. Settlement Agreement**

The Management Control Commission may conclude a settlement agreement with the consent of the club in order to establish a compliance plan to be fulfilled by the club, which will include the following, depending on the reason for its implementation:
a) A feasibility plan that enables the club to guarantee a balanced budget between revenues and expenses.

b) A proposal for actions to recover the balanced equity of the club and completion deadlines.

c) Debt payment scheme.

The completion period of the plan may not exceed three seasons. During the assessment process, the Management Control Commission may request the information considered appropriate to check the compliance status of the plan. The failure to comply with the requirements established herein will be considered as a new infringement. The Management Control Commission may establish the consequences of this non-fulfilment in the settlement agreement.

Article 55. Adjudicatory Proceeding

55.1. The Management Control Commission may decide to refer a case to the Finance Panel. The report of the Management Control Commission regarding the case will include a summary examination of the facts, an outline of the gathered evidence, a reference to the allegedly breached provisions and a proposal as regards the final decision of the Finance Panel, including, if appropriate, any disciplinary measures.

55.2. The Finance Panel will inform the club of the opening of an adjudicatory proceeding, with an account of the facts, the corresponding circumstances, the alleged infringement(s), the allegedly breached articles and the articles to be applied.

55.3. The Finance Panel will inform the club that it will be entitled to submit its written observations within a suitable time limit. After these, no further documents may be submitted except under exceptional circumstances and with the consent of the Finance Panel.

In principle no hearings are held. Upon written request from the parties concerned, the Management Control Commission may decide to hold a hearing with oral arguments at the place that it will determine. All costs derived from this hearing will be covered by the requesting party.

55.4. The Finance Panel will issue the ruling within 30 days from the time it considers that the exchange of communications is complete.

55.5. In the ruling, the Finance Panel will record the facts constituting the infringement, the articles of application and the imposed sanction. The ruling will be notified in writing to the parties concerned either directly or through the club to which the sanctioned person belongs, indicating any
possible appeal against the ruling, as well as the bodies and time periods for such an appeal.

55.6. The Finance Panel will issue its resolution in writing, in which it may:

a) dismiss the case; or

b) impose the corresponding disciplinary measures.

55.7. In urgent cases, the operative part of the final decision may be communicated to the defendant before the fully reasoned decision. The decision will be enforceable from the date of the notification of its operative part.

55.8. The decisions of the Finance Panel are final and may be directly appealed to the Court of Arbitration for Sport in accordance with Article 57.

SUBSECTION V: Appeals

Article 56. Internal Appeals

56.1. The rulings of the Disciplinary Judge and the Euroleague Basketball CEO may be appealed to the Appeals Judge — or the Appeals Panel according to Article 56.4 below and subject to the rule of Article 38 — by the Examining Official or the party concerned, in a time of 10 calendar days starting from the day following the notification of the ruling. Notwithstanding this, if the ruling affects the qualification of a team for a different phase of the competition the Disciplinary Judge may reduce the time periods for the appeal to be submitted.

56.2. Exceptions to the foresaid, i.e. the sanctions that may not be appealed against, are the sanctions imposed by virtue of the exceptional proceedings of Article 48 above and the following ones:

a) Warning.

b) Fines of up to 5,000 euros (including this amount) for sanctions under the material scope of Article 3.2.

c) Fines of up to 30,000 (including this amount) for sanctions under the material scope of Article 3.1.

Appeals against rulings that are not express may be submitted in the time of 15 calendar days starting from the day following the one on which the claim or allegation has been considered dismissed.
56.3. The Appeals Judge will deal in the second instance with the appeals presented against the rulings of the Disciplinary Judge that do not fall under Article 56.4 below.

56.4. Appeals against permanent disqualification, disqualifications for three or more games, prohibition from having access to the arenas for more than one year, a sanction of three or more games played behind closed doors, and fines exceeding 20,000 euros, will be heard by the Appeals Panel. The Appeals Panel will be comprised of three judges, and the Appeals Judge will be the President of the Panel.

If a ruling by the Disciplinary Judge has imposed two or more sanctions, each of them will be appealed in accordance with the respective procedures. Notwithstanding the above, if these two or more sanctions are based on the same factual grounds and/or legal arguments, the Appeals Panel may consolidate the proceedings.

56.5. All appeals must include:

   a) Name and surnames of the party concerned or the person acting on its behalf.

   b) The act that is appealed against and the facts giving rise to the appeal, and also the list of evidence that, proposed in the first instance in due time and form, was not examined.

   c) The articles that the appellants consider infringed, as well as the reasoning on which they base their appeal.

   d) The specific request being made.

   e) The place at and date on which the appeal is submitted.

56.6. The appeal must be accompanied by a proof of payment of a fee of 600 euros to EP for the right to appeal.

56.7. After the appeal has been submitted the Appeals Judge — or the Appeals Panel when appropriate — will immediately send it to the parties concerned so that they might oppose it in the space of four calendar days.

56.8. In dealing with appeals, it is not possible to examine other evidence than that which was proposed in due time and form in the first instance and was not examined in the first instance, unless so authorised by the Appeals Judge or Appeals Panel if the circumstances so warrant.

56.9. In principle no hearings are held. Upon written request from the parties concerned, the Appeals Judge — or the Appeals Panel when appropriate — may decide to hold a hearing with oral arguments at the place that the
Appeals Judge — or the President of the Appeals Panel when appropriate — will determine. All costs derived from this hearing will be covered by the requesting party.

56.10. The express resolution of appeals must occur in a time of no more than 30 calendar days. In all cases, if 30 calendar days pass without there being any resolution or notification concerning the appeal submitted, it will be understood that the appeal has been dismissed, and the appellant may resort to the corresponding legal procedure. If there were exceptional circumstances in the course of the appeals proceedings, the Appeals Judge or Appeals Panel may decide to extend the time limit established in this article.

56.11. The resolution of the appeal will confirm, revoke or modify the appealed ruling and, in case of modification, may cause no further damage to the party concerned, should this party be the only appellant.

Article 57. Court of Arbitration for Sport

57.1. Jurisdiction of the Court of Arbitration for Sport

After all internal appeals have been exhausted, further appeals challenging rulings for serious infringements may be filed before the Court of Arbitration for Sport (CAS) within 15 calendar days of the infringing party's receipt of the ruling including the grounds, in which case the parties will proceed as provided in the Code of Sports-related Arbitration. The process and procedure applicable will be as set forth in Article R47 et seq. of the Procedural Rules.

57.2. The defendant to be named in such appeals is exclusively EP.

57.3. In whatever case, the CAS is not competent to deal with:

a) Decisions by the Euroleague Basketball CEO for minor infringements under Chapter II, Section I.

b) Decisions by the Disciplinary Judge for minor infringements under Chapter II, Section II.

c) Decisions made under Chapter IV, Section II, Subsection III.

d) Decisions made following the procedure of Article 48.

e) Decisions by the Disciplinary Judge, Appeals Judge or Appeals Panel concerning decisions made by referees or unified scorers in connection with games, or matters related to the outcome of the games.
FINAL PROVISION

This Code will enter into force beginning the date on which the General Assembly approves it, without prejudice to the subsequent modifications that may be approved by the General Assembly.
EUROLEAGUE BASKETBALL OFFICIALS REGULATIONS
EUROLEAGUE BASKETBALL OFFICIALS REGULATIONS

CHAPTER I

General Regulations

Article 1. Officiating Director

1.1. The Officiating Director will be in charge of the Officiating Department.

1.2. Functions of the Officiating Director will include:

a) The annual selection and modification of the list of officials officiating games organised by Euroleague Properties S.A. or any of its relevant permitted successors, licensees or assignees (hereinafter “EP”) and/or Euroleague Entertainment & Services, S.L.U. (hereinafter the “Company”).

b) The nomination of officials to officiate games.

c) Setting up the administrative and technical criteria that officials must follow during the season.

d) Dealing with the follow up and permanent training of officials.

e) Management of the economic conditions to officiate games.

Article 2. Officials and Officiating Crew

2.1. To all effects, officials will comprise the referees and observers.

2.2. To all effects, the officiating crew will comprise three referees and seven unified scorers.

2.3. It will be the responsibility of the home club to duly inform the corresponding league, federation, entity or person of the date and tip-off time of the games, so that the unified scorers are present at the games.

2.4. The Company may reject the nomination of a unified scorer with reasoned argument. In this case, the club will find a substitute amongst the registered unified scorers.
Article 3. Written Rules

3.1. The Company may, from time to time during the season, establish written rules for the governance of all officials and will be binding upon each of them.

3.2. The officials will be given a copy of these rules.

Article 4. Responsibility of the Referee in the Games

4.1. The Referee will be responsible for the official scoresheet of the game, and during half-time will review the scoresheet, to which they will bear witness with their signature. In the event of disagreement with the result of the game, the captains of the teams may sign "under protest".

4.2. The Referee will lead a pre-game meeting between the referees and the unified scorers, to be held in the referees or unified scorers locker room.

4.3. The Referee will inform the disciplinary body, on the back of the scoresheet, of any incidents occurring before, during and/or after the game, both as regards compliance with the rules established for the competition and the behaviour of the teams and the public. Exceptionally, when the incidents are of such seriousness that they endanger the physical well-being of either of the teams or the referees, this obligation may be replaced by a complementary report, which must be sent within 12 hours following the end of the game. If a game is to be played less than 72 hours following the game whose facts caused the complementary report, said report must be sent within 90 minutes following the end of the game. Failure to send this report within the time stipulated, will be deemed as incomplete information to the corresponding disciplinary effects.

4.4. In the event of a doping test, this must be reported on the back of the scoresheet.

4.5. Before the beginning of the game, the Referee will make sure that the Euroleague Basketball delegate has checked the identity of the players registered on the scoresheet and other members of the bench by examining the Authorisation List, the Game List and their passports.

The Referee will order any person not included on the Authorisation List to leave the team bench area or any place close thereto and will report any anomaly in this regard on the back of the scoresheet. In
addition, the Referee will order any person having been sanctioned with a disqualifying foul to leave the team bench area.

4.6. The Referee will be responsible for the technical court coordinator handing a copy of the scoresheet of the game duly completed to each team immediately following the Referee's signature at the end of the game.

4.7. The Referee will be responsible for the emailing of the scoresheet (with the cooperation of the technical court coordinator), duly completed to the Euroleague Basketball office within 30 minutes following the end of the game.

Article 5. Responsibility of the Observer in the Games

5.1. The Officiating Director will nominate an observer in those games that he may see fit.

5.2. The observer will not have any direct or indirect involvement in the game itself.

Article 6. Prohibition on Advertising

No member of the officiating crew may display advertising either directly or indirectly within the arena during the games, unless expressly authorised to do so by the Company. Officials

Article 7. Number of Referees per Game

7.1. The Company will assign three referees to officiate each game (Referee, umpire 1 and umpire 2).
7.2. Notwithstanding the foregoing, due to missed assignments or sudden injury, less than three referees may be present to officiate any particular game. In such an event the referees present at such games will discharge their duties to the best of their abilities.

7.3. The Officiating Director will inform referees of their nominations. All referees are obliged to confirm their availability for nominations by the required dates and notify the Officiating Department through the Officiating Department website within 24 hours.

7.6. Any referee who for unforeseen reasons is unable to fulfil a nomination must inform the Officiating Director immediately in order that a replacement can be found.

7.7. Failure to comply with the regulations above may lead to referees being withdrawn from nominations.

7.8. Assignments for games will be sent directly to the respective referee, and must remain absolutely confidential and private until the Company makes them public.

7.9. Any breach of Article 7.8 may result in the three referees being changed.

Article 8. Training Camp

8.1. Prior to the commencement of each season, the Company may require all officials to report to a training camp or facility at a place and time designated by the Company.

8.2. Before or during the season, in addition to the training camp, the Company will have the right to require that officials also attend an instructional camp.

Article 9. Air Travel and Game Fees and Expenses

9.1. Referees are responsible for purchasing flight tickets, which will be reimbursed by EP or through the clubs in accordance with the decision adopted by the Company. Referees will use best efforts to obtain the least expensive airline tickets at the times they are required to fly (economy seating for all flights). The reimbursement obligation hereunder will be limited to the cost of an airline ticket obtained using such best efforts.

9.2. All referees are obliged to arrive at the latest on the evening prior to the game. Any exception to the above will be with the approval of the Officiating Director only. For those referees travelling less than 350km by car, they may arrive no later than 12:00 on the day of the game. This regulation is not applicable to events such as the EuroLeague Final Four or the EuroCup Finals. In these cases, the nominated officials must arrive at the venue no later than 18:00 on the day before the event begins.

9.3. The referee must inform the Officiating Department of their proposed travel plan and cost of the ticket before purchasing the ticket. The Company reserves the right to purchase the most economical ticket.

9.4. Every attempt will be made to make the referees' travel, including connecting flights, as convenient as possible.

9.5. Each official will be responsible for notifying the Company of their travel plan, and, in turn, will be informed by the Company of the address, phone and fax of the hotel where the official will be staying.

9.6. Referees should under no circumstances check their game uniforms/equipment into the hold baggage, when travelling by plane. Appropriate luggage must be used to ensure that this can be taken on board as cabin baggage.

9.7. The total cost of the referees air travel is specified in the itinerary provided to the referees by the Company, based on the least expensive airline tickets obtainable by the Company, as stated above.

9.8. The General Assembly will establish the officiating game fee.

9.9. All game fees and legitimate expenses, supported by receipts, must be claimed using the appropriate form in accordance with the Administrative Procedure Regulations. The form and corresponding receipts must be sent by express post to EP. Payments will be made
directly to the nominated bank account as soon as possible thereafter.

9.10. All accommodation (bed and breakfast) will be organised by the Company using agreed hotels. The Company may delegate this responsibility to the clubs when considered necessary.

9.11. Travelling rules included in this article can be changed by the Company when considered beneficial for the functioning of the Officiating Department.

Article 11. Physical Condition and Clinic Examinations

11.1. During each season the Company has the right to require that each referee submit to two physical (medical) examinations prior to or during the pre-season and mid-season clinics. Approved medical practitioners must carry out these examinations and referees must present a certificate of medical fitness in all clinics they attend.

11.2. Referees will not be allowed to participate in any of the clinic examinations without presenting a consent form and certificate of medical fitness, both signed by approved medical practitioners.

11.3. Each referee must undertake and successfully complete in each clinic:

a) A physical test or tests as determined by the Company

b) A Rules Theory Test

- In the case that a referee does not pass either of the above-mentioned tests during any of the clinics, they will not be eligible to be used by the Company for officiating games until they pass the tests on the dates established by the Company.

- In the case that a referee does not attend the pre-season clinic as a result of personal/professional reasons, sickness or injury not sustained in the course of their duties towards the Company, they must successfully complete both tests before the commencement
of the Regular Season. In such a case the Officiating Director will
determine a date and place where the appropriate tests may take
place.

- The Company reserves the right to consider individual cases based
upon exceptional personal and professional circumstances not
covered by these Regulations.

**Article 12. Weight Checks**

12.1. At the beginning of each season, a duly licensed physician selected
by the Company will designate a maximum weight for each referee,
taking into consideration their height, age, gender and medical
history, which will not be surpassed at any time during each such
season.

12.2. Referees will submit to up to three weight checks per season to be
held at such places and times as may be designated by the Company.

12.3. Any doctor or other licensed physician appointed by the Company
hereunder may conduct weight checks. A referee whose weight
exceeds the designated weight will, upon written notice from the
Officiating Director, be given 14 days to reduce that weight, to the
designated weight. During the 14-day period, the referee will not be
nominated to any games. If upon the expiration of such 14-day
period the referee’s weight exceeds the designated weight, such a
referee will not receive any nominations.

**Article 13. Evaluation and Selection**

13.1. Every referee will be evaluated at the end of each season. The
evaluation will be based on the referee’s season performance and

by the observers (50%) and the Officiating Director (50%).

13.2. Following the conclusion of each season, all referees will be ranked
on the basis of the composite ratings compiled for that season.
Referees ranked in the last places may be required to attend a
Euroleague Basketball Summer Camp. The referees selected during
the Euroleague Basketball Summer Camp to participate in the
competitions organised by EP and/or the Company will carry out
their officiating duties on a trial basis for one season.

13.3. All games from the EuroLeague and EuroCup competitions
(hereinafter “Euroleague Basketball competitions”) will be recorded
on DVD and performances reviewed by the Officiating Department.
13.4. During the season a feedback will be given to referees in the appropriate manner using a combination of verbal, visual and written observations.

13.5. Referees whose performances give rise for concern will be contacted by the Officiating Director who will outline the procedures in such cases.

13.6. Selection of the referees is based upon the following criteria:

   a) The experience and ability of the official to perform at international level and respective domestic competitions.

   b) The evaluation of game performance, physical condition, behaviour and presentation, as determined by the Officiating Director and observers.

13.7. The referees will be placed into respective groups at the beginning of each season, according to the roles of Referee, umpire 1 and umpire 2. Referees will have the opportunity, based upon evaluations received, to move between the groups during the season. The Officiating Director also has the right to promote and/or demote referees for specific reasons.

**Article 14. Restriction of Contact between Officials and Teams**

14.1. Any contact that may be necessary between officials and teams is to be administered through the Company including information regarding air and train travel, transport to and from air/train stations and hotels, travel between hotel and arena and meals.

16.3. A pre-game meeting must be conducted by the Referee.

16.4. Unauthorised visitors are not to be admitted to the locker room at any time. All officials are expected to see that this restriction is carried out.

16.5. All referees will report on the floor 20 minutes before game tip-off. Referees will stand on the side of the court opposite the team benches observing the warm-up of the teams.

16.6. The home club must provide a liaison person (technical court coordinator) at every game to look after the needs of the referees.

16.7. The home club is responsible at all times for the safety and security of the referees. This includes entry at the start of the game, departure and entry at half-time and departure at the end of the game including departure from the arena. A key to the referees locker room must be made available to the referees.

16.8. Under no circumstances should any official communicate any statements or comments to the media at any time.

Article 17. Bench Personnel

17.1. Only persons with legitimate functions as per the relevant article outlined in the Official Basketball Rules as approved by FIBA, as well as in the EuroLeague Regulations or the EuroCup Regulations, will be allowed to sit on the bench during the game. The Referee must ensure that this rule is strictly applied.

17.2. In the event of any breach of Article 17.1 by the club personnel, the Referee must send a report to the Euroleague Basketball office immediately after the game, including all necessary and relevant details.
Article 18. Reports

18.1. Any reports concerning the game must be noted on the back of the scoresheet and accompanied by a complementary report from each official, if necessary.

18.2. The Referee will inform the representatives of both teams as to the nature and content of the report immediately after the end of the game.

18.3. Reports must include at least the following information regarding any incidents that occurred before, during and/or after the game:

   a) Time in which the incident occurred (including period, minute and second).

All reports, scoresheets and other documentation must be sent by email to the Euroleague Basketball office, within one hour following the end of the game (except as established in Article 4.3 regarding complementary reports of the Referee), and the originals must be sent by express post. The Competitions Director must be informed by telephone as soon as a report is sent.

Article 19. Other Conduct

19.1. In addition to the foregoing, each referee will observe and comply with all requirements of the Company, whether on or off the playing floor.

19.2. Referees are reminded that smoking is not permitted during the period of their nomination (beginning with the departure from the home city and ending upon return thereto).

20.5. In case of a nomination for a game being revoked, the official will not be entitled to any economic compensation or reimbursement.

20.6. Consistency of approach is essential. Demand and receive respect from participants and club executives. This must be maintained throughout the game. Do not penalise poor behaviour at the end of the game if you have allowed it during its course. Be firm, but fair. Do not permit rough play, especially away from the ball. It is important that those who rely solely upon physical strength do not disadvantage skilful players.
